## CITY OF PETERSBURG COMPREHENSIVE PLAN UPDATE

### WHAT IS A COMPREHENSIVE PLAN?

The Comprehensive Plan is a long-range planning document that addresses a number of topics such as land use, development, housing, transportation, public health, community safety, and economic development. The plan outlines the City of Petersburg's long-term vision and strategies to achieve that vision. The policies defined in this document guide Petersburg's direction and priorities for growth, services, and land use regulation.
