SPECIAL EVENTS INSURANCE PROGRAM

TULIP is the Tenant Users Liability Insurance Program that provides inexpensive, short-term liability insurance for individuals and groups seeking to hold events or conduct organized activities on VACORP Members' property. Typically, the cost for this policy is around \$100. TULIP provides \$1,000,000 in liability coverage for the named insured (purchaser) for the event AND it protects the VACORP Member from a tenant's actions.
