

Jarratt House
Historic Structures Report and Archaeological Survey
Community Meeting #2

When:

Wednesday, September 27, 2017

6:00pm –7:00pm

Where:

Pocahontas Chapel
143 Witten Street

The City of Petersburg has been working with a team of historic preservation consultants to prepare a Historic Structure Report for the Jarratt House and an Archaeological Survey for nine parcels within the Pocahontas Island Historic District. Jarratt House is located at 808-810 Logan Street and is one of two verifiable stops on the Underground Railroad on Pocahontas Island.

Come hear about the field work that has been completed to date and the consultants' preliminary findings, conclusions and recommendations. This will be the second of three public presentations. The final report will be presented at the next public meeting.
