SUBJECT: **Questions and Answers**

Questions and Answers

1. My firm is looking at the PPEA proposal (from Prestige/ English Joint venture) for a New City Hall in Petersburg. In the proposal, page 52 references the Petersburg City Hall Study completed by Enteros Design. Are you able to send a copy (or a link, if it is online) of that particular study?

Response: A copy of the Petersburg City Hall Space Needs Assessment and Site Analysis can be obtained at the City of Petersburg Purchasing Office located at 103 W. Tabb Street, Petersburg, VA 23803 for a fee of \$25.00. Please make checks payable to City of Petersburg.

The offeror must take due notice and be governed accordingly. This Addendum must be acknowledged in your proposal response or your proposal may not be considered.
