

# COMPREHENSIVE APPROACH TO ERADICATE AND PREVENT BLIGHT IN THE CITY OF PETERSBURG

# BLIGHT IS A MASSIVE PROBLEM

Involves multiple departments

- Billing and Collections
- Code Compliance
- Fire Marshal's Office
- Public Safety Office
- Planning and Zoning

Staff is addressing the issues and will introduce the tools that are being employed to deal with blight by the various departments.

A 5-10 minute presentation will be given for the benefit of City Council and citizens, which will roll out the processes and operating procedures to be used to eradicate blight in the City. Each presentation will conclude with requesting City Council to support the newly introduced procedures.
