

Public Information Report

Public Information Questions from September 3, 2019

1. Who is the ADA Coordinator for Petersburg?

Petersburg ADA Coordinator is Risk Manager, Twan Bridges. Mr. Bridges can be reached at tbridges@petersburg-va.org or (804) 733-2300 Ext. 2445

2. Is the City still using street sweepers in residential areas?

Yes, if you'd like to request for your street to be swept, call the Public Works office at 804- 733-2355

3. What is happening with the restoration of the Mount Vernon Water Tank?

It has been recommended by consultants to clean and repaint the Mt. Vernon Tank. It has also been recommended to upgrade the pump station while the tank is offline. The Public Utilities team is currently deciphering the possibility of requesting an updated proposal and cost estimate.

4. Can the City do something about the Puddle Dock Road Railroad Crossing?

This issue would need to be reported directly to CSX.

5. What is the status of Southside Depot?

Construction and bid documents are currently in the development stage. Also developing IFB (Invitation for Bid) for abatement.

6. There have been airline tickets purchased with a City-issued credit card.

These charges were a part of Deputy City Manager, Lionel Lyons' relocation as approved by the City Manager.
