CITY MANAGER'S BUDGET MESSAGE

Samuel Parham, Mayor-Ward 3
Annette Smith-Lee, Vice Mayor-Ward 6
Treska Wilson-Smith, Councilmember-Ward 1
Darrin Hill, Councilmember-Ward 2
Charlie Cuthbert, Councilmember-Ward 4
W. Howard Myers, Councilmember-Ward 5
John A. Hart, Councilmember-Ward 7

Honorable Mayor and Members of City Council:

This has been an unprecedented and challenging year, but the dedication, commitment and knowledge of Petersburg's workforce has allowed us to navigate our way through this uncharted territory. The flexibility and perseverance of our staff has allowed the City to continue to safely conduct business and provide the critical services necessary to the residents of Petersburg. As the City of Petersburg begins to recover from the effects of the COVID-19 Pandemic, I believe it is imperative that we continue to move forward with our extremely conservative approach that has resulted in the City of Petersburg receiving its most recent S&P bond rating increase to BBB+.

The FY 2021-22 Adopted Operating Budget serves as a policy document that provides information about the policies, strategic goals and objectives for each. It is also a financial plan for the operations of the City of Petersburg that shows historical data that puts the past in perspective as it relates to the future. The budget is meant to guide the operations, values and decisions for each department and also serves as a way of communicating to the residents of Petersburg how their tax money is being spent. The budget document itself has evolved over time and this current version better represents the desires and requests of City Council. Such desires and requests include further transparency and a deeper explanation for the programmatic and operational functions within the City of Petersburg.

I am proud to present the structurally and fundamentally balanced FY 2021-22 Adopted Operating Budget. As part of my commitment to serve as the Interim City Manager, my goal was to ensure that the next City Manager was set up for success. The most important item on my agenda was to develop, balance, and present this budget. Upon my arrival, the budget was presented to me with a \$3.4 million gap between expenditures and revenues in the General Fund and a \$1.5 million gap in the Utilities Fund. In an effort to present City Council with a balanced budget, the budget team and I assessed the City's operations and organizational structure. As part of this assessment, meetings were conducted with all departments to ensure alignment with the Council's 2021-2025 Strategic Plan. In these meetings, departments justified their operational and staffing needs as well as made recommendations for how they could better utilize the current resources moving forward. This three week process resulted in the General Fund being balanced at \$74,724,623 and the Utilities Fund balanced at \$13,475,933 with a total Adopted Operating budget of \$103,613,656.

The theme selected for this year’s budget is, “A New Day... A New Vision”. This theme is representative of the new path that the City is moving towards after the approval of the adoption of the 2021-2025 Strategic Plan. The Strategic Plan is intended to provide direction in future policy implementation and decision-making, provide City staff with the necessary guidance to achieve the City’s goals, and create a shared vision and commitment of City Council, City Staff and Petersburg residents.

Fund	Fund Total
General Fund	\$74,724,623
Grants Fund	\$938,048
Streets Fund	\$5,987,385
CDBG Fund	\$632,000
Utilities Fund	\$13,475,933
Stormwater Fund	\$1,057,003
Golf Fund	\$1,205,079
Transit Fund	\$5,593,585
TOTAL	\$103,613,656

FY 2021-22 Adopted Operating Budget Highlights:

- All Non-Seasonal Employees be brought up to \$15/hr by FY 2022-23
- Organizational Changes to the City’s Executive Team
- Budgeted \$750,000 to be transferred to the Courts Capital Fund for the construction of the new court building (annually until completed)
- Realigned the funding sources for positions to align with where they work
- Each Departmental Budget consists of the following:
 - Personnel breakdown by number of positions as well as by salaries
 - Departmental Goals for FY 2021-22
 - Departmental Performance Measures
 - Progressive funding for government operations returning to normalcy
 - 2% Reduction in overall Health Care Cost
- Level funding for Petersburg Public Schools (\$10,000,000)
- Adhered to City’s Financial Policy of budgeting \$500,000 towards fund balance and \$500,000 towards Capital Improvements

I would like to acknowledge the tireless work of our Budget team, the City Council and City staff for their partnerships, collaboration, patience, and time that has allowed us to effectively prepare the FY 2021-22 Adopted Budget. I look forward to this budget being the foundation for success for the next City Manager of the City of Petersburg, Virginia.

Sincerely,

Kenneth A. Miller

Kenneth A. Miller

PRESENTED TO

City of Petersburg

Virginia

For the Fiscal Year Beginning

July 1, 2020

Christopher P. Morill

Executive Director

PETERSBURG, VIRGINIA

“A City rich in history that is dedicated to providing superior services while cultivating pride.”

Originally known as Peter’s Point, it received its charter in 1748 and became a City in 1850. Petersburg settled at its inland most navigable point, at the fall of the Appomattox River. Because of its location, it has a rich cultural, economic and social history. When settlers arrived in the early 1600s, Native Americans mounted fierce resistance before signing treaties that led to flourishing trade. The growth of the tobacco market in the early 1700s brought about the near simultaneous founding of Richmond and Petersburg. For the next hundred years, Petersburg appeared to dominate as the logistical center of Virginia. During several decades following the Revolution, Petersburg’s free black population grew quickly and Petersburg had one of the oldest free black settlements in the nation at Pocahontas Island.

In the 30 years leading up to the Civil War, Petersburg built its first railroads, the manufacture of agricultural and industrial implements and tools flourished. In the spring of 1864, General Ulysses S. Grant surrounded Petersburg, affecting the longest siege of an American city. After General Robert E. Lee and his Confederate forces abandoned Petersburg in April 1865, Lee surrendered, ending the Civil War. By the early part of the 20th century, the logistical and shipping center of Virginia had shifted to Richmond, leaving Petersburg the retail hub of Southside Virginia; several new industries were established in Petersburg. Founded in 1870, the Seward Luggage Company became one of the largest manufacturers of trunks and luggage in the country. Two other large companies formed during this era were Titmus Optical Company and Arnold Pen Company. These businesses contributed greatly to Petersburg’s thriving economy at the turn of the twentieth century. During this era department stores, grocers, specialty stores, and theatres lined Sycamore Street and adjoining streets in Old Towne and sprung up around the Halifax Street triangle.

As Petersburg’s economy weakened in the 20th century, its population declined. As upper and middle classes fled to the suburbs, the city was left with a high percentage of low-income residents. The increase in demand for public services seriously strained limited financial resources.

WHO WE WERE

Petersburg continues as a transportation hub with immediate access to Interstates 85, 95, and 295, and U.S. highways 1, 301, and 460, Petersburg is an attractive tourism and business location. Petersburg has several public and private industrial parks, several located within Enterprise Zones.

The City collaborates with State and regional economic development organizations to offer businesses assistance with site selection, permitting and workplace training.

History, geography and phenomenally intact historic districts make Petersburg a community that people and businesses from all over the globe are embracing. Visible reminders of Petersburg's prominent role in the emergence of the country into a worldwide power are evident in the extensive architecture and streetscapes that remain. The City rises from the banks of the beautiful, unspoiled Appomattox River where the City will create a Heritage Trail along its southern shore for the public to discover this rare asset. The majesty of the Appomattox continues to drive support and assistance from the U. S. Army Corps of Engineers

for the re-establishment of the City's harbor as a navigable connection to the James River, the Inter-coastal Waterway, the Chesapeake Bay and the Atlantic Ocean. Petersburg is experiencing a true Renaissance.

On August 6, 1933, a destructive tornado touched down on the southwest side of Petersburg, and rapidly intensified as it struck the historic downtown area of the city. Several well-built, multi-story brick buildings leveled. Pocahontas Island experienced major losses in the storm; 47 homes and a church. Although it has taken the City a while to bounce back from the devastation, we remained resilient.

The historic city of Petersburg is located in South Central Virginia, twenty three miles south of the City of Richmond, 130 miles south of Washington D.C. and twenty three miles west of the Chesapeake Bay. Petersburg is situated at the Falls of the Appomattox, on the boundary between the Tidewater and the Piedmont, between the Chesapeake and Albemarle basins. Located along the eastern seaboard, approximately halfway between New York and Florida, Petersburg is situated at the juncture of Interstates 95 and 85. The City of Petersburg is 23.1 square miles in size and it is one of 13 jurisdictions that comprise the Richmond-Petersburg Metropolitan Statistical Area.

VISION STATEMENT

“Petersburg is a vibrant, welcoming and engaged community for all”

WHO WE ARE

Today, the City is alive with revitalization projects as premiere examples of architecture ranging from the 18th - early 20th centuries. Many of the damaged homes restored and occupied as private residences; the church on the Island is the place of worship to many families who have rebuilt their homes and remained island residents.

As the automobile brought changes in land use patterns, the Interstate interchanges have also brought clustered hotel and highway commercial land uses, especially at the Washington Street interchange. The interchange at Wagner Road has recently proven to be vital for industrial growth east of Interstate 95 in the southern portions of Petersburg around the new Southside Regional Medical Center.

Park and recreation land uses are found throughout the City. Some of the largest areas dedicated to a single use in Petersburg fall under the category of parks and recreation. Although also considered a cultural resource, the Petersburg National Battlefield is a park area of 750 + acres, where residents and visitors can experience Petersburg’s role in the Civil War as well as hike or ride bikes. Lee Memorial Park, the Dogwood Trace Golf Course, and the Petersburg Sports Complex are found in the southern part of the City, surrounding Petersburg high School. Together they create a large tract of recreational and park land use similar in size to the Petersburg National Battlefield.

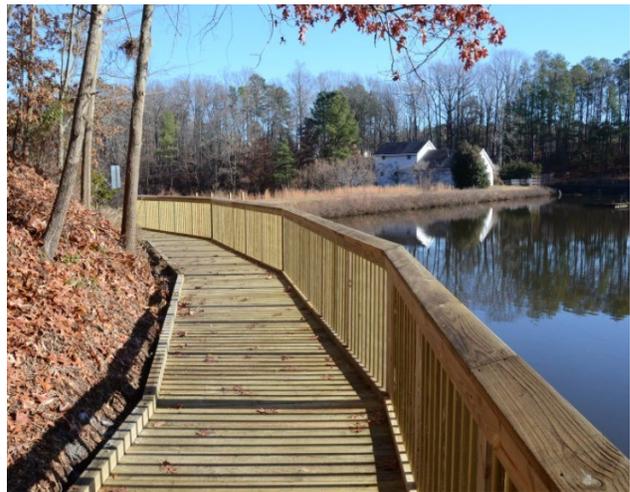

With the exception of the Old Town area, the land uses in Petersburg are largely separated from one another. Commercial zones are clustered along major arterial roads with residential areas comprising most of the land use throughout the city.

As noted in the Population section, the percentage of elderly residents in Petersburg is expected to increase over the next 20 years. It is important for people to have the option to remain connected to their communities, remain as independent as their health will allow and have access to a full range of local services (educational, cultural recreational) as they grow older. This concept is known as “aging in place.” Appropriate land use policies are key to ensuring that this can occur. Future land use policies should encourage growth in inner city neighborhoods which have shown the greatest decline over the year. Future land use policies should also encourage development that results in a sustainable pattern of land use which creates neighborhood centers and allow for multi-modal transportation options. This will involve working with developers and redevelopment to move away from the suburban separation of uses and create neighborhoods with mixed amenities that will create mixed-income neighborhoods.

In addition, the City has experienced a resurgence of development with many of the old warehouses converted into lofts and mixed-use developments. The City has a vast array of entertainment options including a thriving arts community and numerous historical sites, museums and attractions coupled with a unique architectural landscape that has been preserved and enhanced over time resulting in a thriving tourism industry. There are numerous restaurants and shopping options located in Old Town and South Crater Road, and a state-of-the-art health care facility. The City has a well organize transportation system including walking and cycling trails.

The City of Petersburg with the help of our community partners is providing a health and wellness program to enhance the citizen’s quality of life. The National Guard assists each year in demolishing blighted property and creating green space. A non-profit citizen advisory board assists Parks and Recreation with Wilcox Lake, which is located at one of our City’s parks. Through the cooperation of friends of the Lake, the City has designed and provided walking trails. The Tennis and Basketball courts at Lee Park have been revitalized through funding provided from the Community Development Block Grant. The friends of the Library have assisted the City’s Library to offer a Healthy Living and Learning Center. The City recognizing a need for a better healthy way of living created among its staff and community leaders, a Quality Circle and Heal Petersburg Taskforce. The Army has substantially expanded activities at nearby Fort Lee, home of the United States Army’s Sustainment Center of Excellence, as well as the Army’s Logistics Branch. Together, all these features deliver a desirable location for those looking for a strong sense of community.

PETERSBURG 2025

WHO WE ASPIRE TO BE

In the year 2025, Petersburg Virginia has reinvented itself to be an economically, environmentally and socially vibrant community with a physically active, well educated, healthy and diverse citizenry. Continuing a legacy of a thriving faith filled City where there are private and public partnerships that enhance our heritage and promote the spiritual and emotional health of all of our residents. There are a myriad of housing opportunities and options ranging from single family dwellings to urban apartments; retirement villages; assisted living facilities and live-work housing units. The City has a vast array of entertainment options including theater, a symphony orchestra, a thriving arts community and numerous historical sites, museums and attractions. The many entertainment options coupled with unique architectural landscapes having been preserved and enhanced over time have resulted in a thriving tourism industry. There are numerous specialty restaurants and shopping options, state of the art health care facilities, recreational sports facilities, and green infrastructure improvements.

The City has a well-organized transportation system including walking; cycling and fitness trails, as well, as local and regional mass transit facilities for air, rail, and water routes. There is a waterfront that is eclectic and vibrant promoting and bringing families, and visitors to an exciting array of activities. The infrastructure has been upgraded to facilitate planned growth and expansion as well as provide for the stability of our many neighborhoods. There are beautiful green spaces throughout the City allowing for a mix of urban and suburban parks, which forms a network of recreational uses for families and individuals to enjoy.

A School system revamped to be among the best in the State of Virginia and highly ranked in the Nation; boasting small class sizes; state of the art equipment; quality teachers, and gifted and talented students that are bright and eager to learn.

Our local government services and level of accessibility are unparalleled in the region. There is a healthy balance of industry, business, residences, and services resulting in stable, growing property values and an economically flourishing community. There are volunteer and professional opportunities for citizens of all walks of life and ability. There are new businesses including local entrepreneurs providing jobs and employment opportunities for the citizens of Petersburg. Petersburg, Virginia a wonderful place to live, work, and play.

There is still undeveloped land within the city limits. Rural and vacant land within the City is an attractive asset for industrial, retail, and residential developers. The revenue and synergy from new developments must be balanced with efforts to revitalize declining areas if the City is to comprehensively support economic vitality.

STRATEGIC PLAN

The City of Petersburg’s 2021-2025 Strategic Plan is a roadmap that will direct the City’s fulfillment of its vision and goals. This strategic plan is the result of months of rigorous work by the Petersburg City Council along with City staff that illustrates where we are as a City, where we would like to be moving forward, and how we plan to make this a reality.

The Strategic Plan is intended to:

- Provide direction in future policy implementation and decision-making
- Provide City staff with the necessary guidance to achieve the City’s goals
- Create a shared vision and commitment of City Council, City staff, and Petersburg residents

The City of Petersburg’s 2021-2025 Strategic Plan identifies actions and activities that City departments will consummate throughout the next five years. This document highlights the strategic goals, objectives action items that will be met, departments responsible, and the target date of achievement. These goals, objectives, and action items are structured in a manner that, when completed, will aid in reaching the City’s vision for 2025.

Formally incorporated as a City in 1748, Petersburg, Virginia is rich in history and character. Rising from the banks of the Appomattox River, Petersburg was once in the forefront of industry and commercial opportunity and the second largest City in Virginia. Petersburg boasts history, geography and beautifully intact historic districts. Visible reminders of Petersburg’s prominent role in the emergence of the country are evident in the rich range of architecture and the unique character of the neighborhoods. The Petersburg Old Towne Historic District is on the National Register of Historic Places, offering architectural variety, restaurants, shops, and housing. Historical sites range from battlefields to old houses, including the Petersburg National Battlefield Park (which preserves the sites of the Civil Wars’ Siege of Petersburg and the Battle of Crater), Pamplin Historical Park, Blandford Church and Cemetery, National Museum of the Civil War, Centre Hill Mansion, and the Exchange Museum.

STRATEGIC PLAN DEVELOPMENT

The City of Petersburg’s Strategic Plan was developed from 2019 through 2020. It is continually monitored, tracked and revised.

STRATEGIC PLAN GOALS

1

ECONOMIC DEVELOPMENT

- To promote economic development and attract new businesses and strengthen the City's tax base

Objectives:

1. Foster Commercial, Retail, Industrial, and Logistical Development & Retention
2. Strengthen Petersburg's Workforce
3. Diversify and Broaden the City's Tax Base

The City of Petersburg is a City with endless potential for economic development. Petersburg must create a welcoming culture that is enticing to potential developers. In addition to creating this culture, the City must ensure that all external partners are being utilized to maximize the impact of potential developments. In an effort to increase development in Petersburg, there needs to be an emphasis on having a readily available and skilled workforce. Focusing on these aspects will result in further development that will increase the revenue streams for the City. By creating additional revenue, the City will be able to reinvest more resources back into the community.

2

NEIGHBORHOOD VITALITY

- To support community development activities to enhance neighborhoods and improve housing

Objectives:

1. Prevent Blight and Deterioration
2. Provide Quality Public Health and Safety Services
3. Invest in Infrastructure Improvements
4. Advance Quality of Life by Enhancing Parks and Open Spaces

In order to be a desirable location for residents, the City must ensure that the communities are able to thrive. Issues of blight, failing infrastructure, and safety must be remedied to allow Petersburg to reach its full potential of being a City suited to live, work and play.

STRATEGIC PLAN GOALS

3

GOOD GOVERNANCE

- To provide good governance for efficient, effective and equitable service deliver, productive citizen engagement & community improvement

Objectives:

1. Efficient and Effective Operations
2. Demonstrate Collaborative Leadership
3. Provide Responsible Fiscal Management
4. Expand Accessibility to Government

Petersburg is a City that is ethically managed and is continuing to make strides of improvement from previous years. Good governance is implemented by being efficient, effective and equitable in all City operations. The City will place emphasis on areas of service delivery, citizen engagement, and community improvement.

4

CELEBRATE PETERSBURG

- To celebrate Petersburg's history and culture

Objectives:

1. Increase Tourism
2. Preserve Petersburg's Historical Infrastructure
3. Develop Community Pride in Petersburg

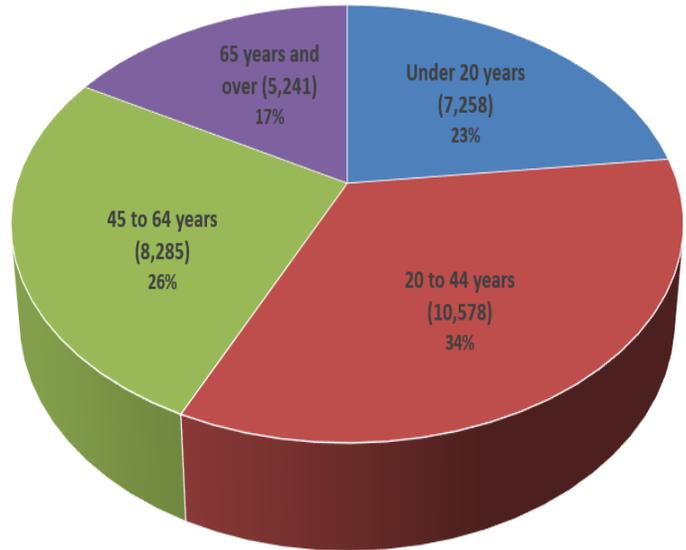

Petersburg is a City full of rich history and an everchanging culture. The historical foundation of Petersburg has made the City what it is today. This history needs to be celebrated and preserved to make Petersburg a hub for tourism and festivities.

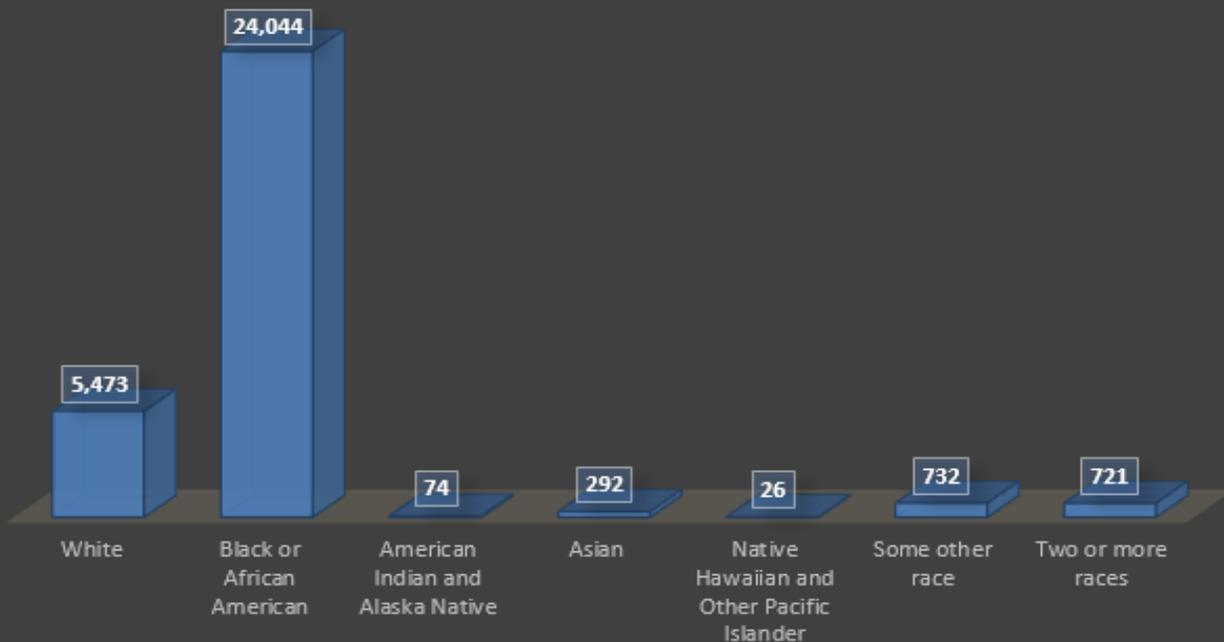

DEMOGRAPHICS

The population of Petersburg peaked in 1980 at 41,000 and has been declining since then. In 2019, the estimated population of was 31,362. The median age was 38.1, compared to a national median age of 38.5. Nearly 83 percent of Petersburg residents have at least a high school diploma, though only 19.8 percent have a Bachelor’s degree or higher. According to the U.S. Census, the poverty rate in 2019 was 24.1 percent – more than double the Commonwealth of Virginia’s poverty rate of 9.9 percent. The tables shown illustrate the distribution of Petersburg’s population by age and race. The median household income in Petersburg is \$38,679 in comparison to the Commonwealth of Virginia’s \$76,456.

Petersburg Population by Age
 According to 2019:ACS 5-Year Estimates

PETERSBURG POPULATION BY RACE ACCORDING TO 2019 ACS 5-YEAR ESTIMATES

Rank	Employer	Industry	Employees	% of Total City Employment
1	Good Neighbor Holdings, LLC	Mental Health	1000+	7.19%
2	Southside Regional Medical Center	Hospital Medical Services	1000+	7.19%

ELECTED OFFICIALS

Petersburg is an independent City, or a City that is not in the territory of any county, and utilizes the council-manager form of government. The Council has seven members, each representing a ward (or geographic portion of the City). Council members must reside in their wards. Members serve staggered, four year terms with elections being held in even numbered years. The mayor is selected from among the council members.

BUDGET CALENDAR

To request changes to the Proposed Budget, a Council Member must have support from three additional Members. If an addition is proposed, the Council Member must propose a revenue enhancement or a reduction from another part of the budget. If a reduction is requested, the Council Member must propose a use for the funds saved. See Appendix A, for the form Council Members will use to request a budget modification.

The FY 2021-22 Budget is scheduled for adoption on May 19th at a regular scheduled City Council Meeting. The calendar below illustrates the schedule for reviewing, discussing and adopting the FY 2021-22 budget.

ALL FUNDS BUDGET SUMMARY

The City's Budget is organized into separate funds, each of which are accounted for with a separate set of self-balancing accounts that comprise its revenues and expenditures where appropriate. The following section details the revenue and expenditures for the General Fund, Special Revenue Funds, and Enterprise Funds. At the end of FY 2019-20 the unassigned fund balance for the General Fund increased from \$8,060,337 (FY 2018-19) to \$12,936,270.

GENERAL FUND

The FY 2021-22 General Fund revenue for the City of Petersburg is \$74,724,623 which represents an increase of \$1,386,483 from the FY 2020-21 Adopted Budget. The FY 2021-22 General Fund budget is 72.1% of the total Operating Budget and it is measured on a modified accrual basis.

General Fund revenues are derived from general taxes paid by citizens and businesses. The largest sources of revenue to the General Fund are Property Taxes, representing 46% followed by state funding at 22% and the local tax category at 18%. Although the projected revenue for General Property Tax shows a slight increase, we are projecting a decrease in Personal Property Taxes. Another area we anticipate major reductions are Business Licenses, Fines and Forfeitures and Consumer Utility Taxes. Due to the pandemic the revenue collected from Fines and Forfeitures dropped significantly in the FY 2020-21 Amendment but we are projecting that it will increase this upcoming year by almost \$94,000.

The FY 2021-22 expenditures include commitments to the General Fund balance replenishment, the Courts Capital Fund and the Capital Projects Fund. \$500,000 is designated to go to the fund balance replenishment and the Capital Projects Fund, while \$750,000 is allocated to the Courts Capital Fund. Public Safety, Social Services and the Schools make up almost 60% of the total General Fund Budget. The debt service for the General Fund consists of \$1,442,977 in interest and \$1,684,292 towards the principal.

Where does your tax dollar go?

GENERAL FUND REVENUE BREAKDOWN

General Property Taxes make up about 46% of the general revenue, which is the largest portion of the fund. This section includes tax on real estate, personal property, public service corporations, mobile homes, machinery and tools and all the penalties and interest that are accrued with late payments. The City of Petersburg has consistently collected about \$34 million for this portion of the General Fund since FY 2018-19.

Other Local Taxes include tax on local sales and use, consumer utilities, business licenses, motor vehicle licenses, cigarettes, lodging, meals and bank stocks. This source of revenue makes up about 18% of the General Fund and is estimated to bring in another \$13.5 million this fiscal year.

Permits, Fees & Licenses have consistently brought in about \$300,000 in revenue since FY 2018-19. The costs associated with this section include building permits, right of way permits, vacant property registration fees, notice of violations for grass and vegetation, electrical permits and many other permits and fees associated with the city.

Fines & Forfeitures include the costs for court fines and forfeitures, parking fines, DMV stop fees and red light fines. Due to the pandemic, this segment of the General Fund has suffered a significant decrease in revenue. The courts have not been able to run at full capacity, but we are hopeful that in the upcoming fiscal year we will be able to bounce back.

Revenue from Use of Money/Property is another section of the General Fund that decreased slightly. The costs of renting general and recreational property and concession rentals and commissions is what makes up this category of revenue. Due to the lack of recreational activities the amount of rented recreational sites as well as parking lots have been limited in FY 2020-21. We hope to see more recreational activities in FY 2021-22, but with the future of the pandemic still pending we have decided to keep our projections low for this revenue.

Charges for Services include a range of different costs and fees for specific products or services. This group of revenues is mostly made up of fees for courthouse maintenance and security, EMS transportation, law enforcement security, credit card processing and waste disposal charges. A slight increase has been projected for this fiscal year mainly due to the increase in credit card usage.

Miscellaneous Revenue is made up of the costs for the sales of salvage/surplus, payments in lieu of taxes, sales of fuel, rebates/refunds and other miscellaneous income. The revenue collected for this category has been projected to drop over 30% since FY 2019-20 due to the fact that majority of the surplus items in the City have already been sold.

Recovered Costs for the City come from quarterly payments from Amelia, Dinwiddie, Nottoway and Powhatan for the clerical support provided to the judges and jurisdictions of the 11th Judicial Court of Virginia. This group of revenue also includes BOA rebates, insurance and restitution recoveries when available.

Revenue from the Commonwealth makes up about 22% of the General Fund, coming in right behind general property tax. Majority of the revenue that is collected in this section comes from communications sales and use tax, PPTRA, social welfare, compensation board reimbursements and HB599 police aid. The revenue from the Commonwealth has steadily increased since FY 2017-18, but we are projecting a minor decrease due to the banning of Skill Games which brought in almost \$100,000 last year.

Revenue from the Federal Government is comprised mainly of Public Assistance for Social Services. The City has received over \$4.4 million for this category since FY 2016-17. These funds are reimbursements to the City to help offset the administrative expenditures associated with social service programs. This year we are projected to collect about \$5 million.

Non-Revenue Receipts is made up of the revenue collected for the sale of land, vehicles, equipment or buildings. The City has projected to bring in \$200,000 in FY 2021-22 with the sale of land or buildings.

SPECIAL REVENUE FUNDS

GRANTS The Grants Fund was created in FY 2017-18 to centralize the grants received from local, state, and federal sources. The City's major grant programs are: Victim Witness and Community Corrections. For other grants, in FY 2017-18, City Council adopted a grant policy that requires departments to present grants to Council for their approval prior to acceptance. Consultation with Budget and Finance is also required to ensure any required local match is sustainable. This policy is meant to deter departments from accepting grant funds which may incur an unsustainable financial obligation. This Budget includes only the programs that are consistently funded by the Commonwealth and the Federal Government. The remaining grant programs will be taken before Council for appropriation once the award letters have been received. The Grants Fund amount in this Adopted Operating Budget is \$938,048, a slight increase from the FY 2020-21 Adopted Budget amount of \$785,302, representing a 19.4% total increase.

STREETS The Streets Fund was created in FY 2017-18 to isolate the Virginia Department of Transportation Urban Allocation funds. VDOT allocated funds to municipalities based on a set rate for every lane mile within their jurisdictions. Funds are dispersed quarterly and can only be used for VDOT authorized activities such as street repairs and maintenance, snow and ice control, structure maintenance and specified equipment and materials for these functions. FY 2021-22 Operating Budget is showing the Streets Fund to account for \$5,987,385 of revenue and expenditures which is a slight increase from the FY 2020-21 Adopted Budget.

CDBG The Community Development Block Grant (CDBG) Fund is a federal program that provides annual grants on a formula basis to entitled cities and counties. This grant is used to develop viable urban communities through improving housing environments and expanding economic opportunities. The CDBG fund has specific purposes for which municipalities are authorized to expend. For example, the acquisition of land, relocation and demolition, rehabilitation of residential and non-residential structures and activities related to energy conservation and renewable energy resources. In Petersburg, the specific projects are brought before the City Council for approval once the funding has been identified. In this Adopted Operating Budget, the CDBG Fund is expected to expend \$632,000. This amount accounts for new program funding and projects that were started in previous fiscal years. Typically, municipalities should complete these projects within two years or sooner to ensure they will receive additional funding. This amount is an decrease of \$960,032 from the FY 2020-21 Adopted Budget which represents a 60.3% increase.

STORMWATER The Stormwater Fund is used for the management of the stormwater infrastructure. Revenue is received from each parcel containing impervious surfaces included in utility bills. Unmanaged stormwater can cause erosion, flooding and can carry excess nutrients, sediment and other contaminants into rivers and streams. Properly managed stormwater can recharge groundwater and protect land and streams from erosion, flooding and pollutants. The Stormwater Fund has a Budget of \$1,057,003 of revenues and expenditures. The Stormwater Budget this fiscal year was decreased from the FY 2020-21 Adopted Budget amount of \$1,460,249 which represents a 27.6% total reduction. The debt service for the Stormwater Fund consists of \$60,000 towards the principal and \$87,391 in interest for FY 2021-22.

*** Modified Accrual is the basis of budgeting for Special Revenue Funds.

Local Revenue for the City is mainly comprised of the MOU CAPUP grant. This is a grant that comes from a non-profit agency called the Capital Area Partnership Uplifting People. It serves the communities of Richmond, Petersburg, Hopewell, Prince George and Dinwiddie by providing aid to individuals and families facing hardship.

State Revenue includes the reimbursements for the Victim Witness and Community Corrections programs. The Victim Witness financial support is provided to support programs designed to deliver direct services, information and assistance required by Virginia’s Crime Victim and Witness Rights Act. The Community Corrections grant is specifically to support local community-based probation and pretrial service agencies established and operating under the authority of the Comprehensive Community Corrections Act (CCCA). This piece of revenue is projected to make up about 40% of the Grants Fund total this fiscal year.

Federal Revenue for the Grants Fund comes from the Victim Witness assistance required by Virginia’s Crime Victim and Witness Rights Act.

Non-Revenue is strictly money that comes from the Fund balance or is transferred from the General Fund.

***In FY 2017-18, the City changed its process for how it budgets, appropriates and accounts for the Grants Fund. The City is not to assume the revenue from a grant unless a grant award is received. At the time of the grant award, the City will seek approval from Council to appropriate the funds and will add the spending authority to the budget. This process has eliminated overbudgeting.

Overweight Permit Fees is a small part of the Streets Fund revenue that is collected on a quarterly basis. These fees authorized by the General Assembly allow the Commonwealth Transportation Board to distribute overweight permit fee revenue on the basis of lane mileage to localities eligible for maintenance payments. The total payment for this is determined no later than July 1st of each fiscal year.

State Grant Revenue is the revenue provided by the Virginia Department of Transportation (Urban Maintenance Program) to maintain the interstate system highways and secondary system of state highways for the City's street maintenance. These funds are dispersed in quarterly payments and amount to about \$6 million annually.

Stormwater Fee Charges are billed to residential and non-residential customers that use the City's stormwater collection systems. The City is responsible for compliance with State and Federal regulations that are not funded. In order to install and maintain storm drains, inlets, ditches and erosion and sediment control these fees are charged. For residential customers a standard \$3.75 per month charge is added, for non-residential customers it is \$3.75 per ERU a month. ERU is the total impervious area of the property divided by 2,116 SF. These fees are added onto the utility bill and are due at the beginning of the month.

ENTERPRISE FUNDS

Enterprise Funds are used to account for operations that are financed in a manner similar to private business enterprises with the intent that costs of providing services to the general public be financed primarily through user charges. The basis for budgeting for these funds are also modified accrual.

UTILITIES

The Utilities Fund accounts for revenues and expenditures associated with the operating system, utility debt services and utility capital projects. Revenues to support the Utilities Fund are derived from users' fees billed to commercial, industrial and residential customers in the City. The Budget accounts for a 10.9% decrease from the FY 2020-21 Adopted Budget. The total revenue and expenditures for the Utility Fund are \$13,475,933. The debt service for the Utilities Fund in FY 2021-22 represents \$375,309 towards the principal and \$117,318 in interest.

DOGWOOD TRACE

This enterprise fund is Peterburg's municipal golf course. All revenues and expenditures are a result of activities related to the golf course operations. The Dogwood Trace Budget increased from \$1,204,850 in FY2020-21 to \$1,205,079 in FY 2021-22 which represents a \$229 total increase. The Golf Fund is expected to supply \$110,101 towards principal and \$147,295 to interest for debt service.

PETERSBURG AREA TRANSIT

The Petersburg Area Transit Fund is where the City's regional transit operations are located. Transit receives revenue from the Commonwealth, the Federal Transit Administration, the City of Petersburg, and revenue generated through operations. Transit provides services to the citizens of Petersburg and other localities including Richmond and Hopewell. The Petersburg Area Transit's Budget increased from \$4,843,163 in FY 2020-21 to \$5,593,585 in FY 2021-22 which represents a 13.42% total increase.

Interest Earned is the money accrued whenever a utility bill has not been paid in full within 25 days of the due date.

Sewer & Water Connection Fees are the costs associated with setting up an account and having a technician go on-site to connect a meter.

Cut Off Fees are the costs associated with canceling or turning off an account and having a technician go on-site to disconnect a meter.

Delinquent Charges are the costs customers with delinquent accounts pay if their utility bill is not paid within 25 days of the due date. These charges are 5% of the unpaid bill or \$1.50. The projected revenue for this piece of the Utilities Fund has decreased by 74% since FY 2019-20 due to the pandemic.

Sale of Water & Sewer-Residential is the largest source of revenue in the Utilities Fund at 68%. Residential sales make up about 88% of all water and sewer services. Although the rates between customer classes do not differentiate, prices vary based on the meter size.

Sale of Water & Sewer-Industrial sales only make up about 0.2% of the collected revenue for the water and sewer billing. The industrial category is only made up of ventures or businesses that deal with the manufacturing of goods. It does not include transportation or financial companies.

Sale of Water & Sewer-Commercial are transactions made up of the profits that come from any business or venture done with the sole motive of gaining a profit. 26% of the total Utilities Fund is generated by these commercial bills.

Green Fees are the daily usage charges the City implements for access to their municipal golf course. Currently the rates are \$27 on weekdays and \$32 on weekends. This is the biggest source of revenue for Dogwood Trace at 44%.

Cart Rentals create revenue for the Golf Course Fund by charging daily usage fees to rent a golf cart for a round of golf. The rates for these rentals are \$9 for a 9-hole round and \$17 for an 18-hole round.

Pro Shop income comes from the sales made in the Dogwood Trace retail store. These prices vary making this revenue unpredictable.

Food & Beverage Sales are earnings that are associated with the Grille restaurant. The Grille serves customers daily at the facility, but also provides catering services to businesses and non-profit entities throughout the Tri-Cities area.

Sales Tax Golf Course is the tax required by State law on all sales. This is currently set at 5.3% and is estimated to bring in around \$15,000 in revenue in FY 2021-22.

Transfer from General Fund is the cost the City issues to the Golf Fund to cover debt service payments.

PETERSBURG AREA TRANSIT FUNDING

Due to the strategic leveraging of Federal Funds and Other Revenue, Transit has been able to reduce the general fund allocation by 9.8%. Transit has not only continued operations with this reduction but has also added salary increases to reflect market rates and reduce turnover. The transit generated revenue comes from bus fare, service contracts, Greyhound commission, advertising and vending machines.

GENERAL GOVERNMENT

CITY COUNCIL & CITY CLERK

The City Clerk Office is the liaison between the citizens of Petersburg and City Council Members. Any information or requests that an individual needs regarding Council and the Mayor is initially presented to the Clerk’s Office. The City Clerk’s office handles all correspondence of the Mayor and Council through letters, award meetings, etc. Therefore, the calendars and requests for meetings and events intended for the Mayor as well as Councilmembers are regulated through the Clerk’s Office. The department is also responsible for the minutes of City Council meetings and the Minute Books for certification. Minute Books are the adopted and certified council minutes from all the City Council meetings placed on legal paper for records purposes. The City Clerk’s Office ensures City Council meetings are prepared for by putting Council meeting agendas together with item requests from staff, placing the agenda items into the Civic Clerk software, and certifying final draft of Ordinances but only signing resolutions. City Clerk Office is the custodian of the City Seal, meaning that the only seal for the City of Petersburg resides within this office. Also, boards and commissions are controlled through the office. Terms and position openings of boards and commission members are tracked through the City Clerk Office. As a result, new member applications are sent to this department which is sent to Council members for determination of admittance.

FY21-22 Goals

- To help more citizens resolve issues that they may have in our department or other city departments
- To expand knowledge about government laws, policies and procedures
- To continue to serve our community with integrity, respectfulness and dependability

Performance

Measure	Target
% of agendas and agenda packets posted on the City Website within 3 business days of the meeting	70%
% of minute books printed and signed by appropriate parties (January-June by July 1st, July-December by December 31st)	60%
% of agenda items loaded to Civic Clerk by given deadline (one day after previous Council meeting)	40%

CITY MANAGER

The mission of the City Manager's office is to implement City Council policies; to oversee all departmental activities, enabling and supporting the departments as they work in the best interest of our community; to instill the City's vision statement among our employees and to foster an outstanding level of service at a reasonable cost.

The City Manager, appointed by the City Council, is the Chief Executive Officer of the City. The Manager's Office administers all policies adopted by the Council and supervises the City's daily operations through Assistant City Managers, Assistant to the City Managers, and Department Heads.

This office is also responsible for responding to resident complaints and service requests, conducting disciplinary hearings, approving purchases, leading special projects, preparing and reviewing special reports.

The City Manager's Office is also responsible for Government Relations. We provide comprehensive representations of the City's interests before the Commonwealth of Virginia Legislature and Regional bodies. It also provides focused representation on key issues and specific goals before the U.S. Congress and Federal agencies. Other responsibilities include:

- Developing the annual budget
- Preparing the City Council meeting agendas
- Developing staff recommendations

Supporting information on all matters to be considered by the City Council.

Highlights

- Splits for the Deputy City Managers were moved from other funding sources to the City Manager's budget
- One Deputy City Manager position has been eliminated in FY 2021-22
- Defunding of the Customer Service function
- Funded a Grant Writer position
- Unfunded the Assistant to the City Manager position
- Added a Program Coordinator position to assume the responsibility of FOIA and legislative affairs

CITY ATTORNEY

The City Attorney is one of three positions in the City of Petersburg appointed by, serving under contract with, and reporting directly to City Council in accordance with Section 3-6 of the City Charter. The City Attorney's Office is responsible for handling all legal matters on behalf of the City of Petersburg. The City Attorney provides legal counsel and representation to City Council, and serves as Parliamentarian for City Council in addressing procedural questions relating to conducting their public meetings.

The City Attorney's Office also provides legal counsel and representation to the City's Administration and its employees on matters pertaining to City business. The City Attorney defends legal actions instituted against the City and/or its officers and employees for acts and incidents arising during the ordinary course of their work for the City and prosecutes all civil matters on behalf of the City. This may include the management and monitoring of outside counsel either retained by the City's insurer, or directly by the City; or it may involve direct representation by the City Attorney in Court and/or administrative proceedings. These matters may include but are not limited to Land Use and Zoning matters, Taxation, Torts, Procurement Disputes, Contracts, Employment Matters, and other issues arising during local governmental operations.

The City Attorney is also authorized to prosecute criminal violations of City Code and, with the concurrence of the Commonwealth's Attorney, may also prosecute other misdemeanor criminal violations. These matters typically include, but are not limited to, prosecution of violations of the Virginia Uniform Statewide Building Code as adopted by the City of Petersburg, and violations of the Petersburg Zoning Ordinance.

The City Attorney's Office reviews and prepares ordinances, resolutions, bonds, contracts, deeds, instruments and other legal documents for the City and the City's administration, and in accordance with §15.2-1803 of the Code of Virginia, reviews and approves as to form prior to recordation, every deed purporting to convey an interest in real property to the City of Petersburg.

The City Attorney's Office is comprised of the City Attorney and one Paralegal. The City Attorney may also appoint or employ such special or outside counsel, and other legal professionals as necessary to meet the City's legal needs. The City Attorney is a licensed practicing attorney in the Commonwealth of Virginia, admitted to practice in every state level court in the Commonwealth of Virginia as well as the federal courts for both the Eastern and Western Districts of Virginia, the U.S. Court of Appeals, and the U.S. Supreme Court. Our City Attorney is also licensed to practice law in the State of New York.

The Paralegal for the City Attorney's Office also serves as the Office Administrator, maintaining all of the legal files for the office, preparing draft documents for review and issuance by the City Attorney, and coordinating scheduling and calendaring for the City Attorney and his office. The Paralegal for the City Attorney's Office holds a Paralegal Certification from an accredited Virginia College.

In accordance with 2-192 of the City Code, the City Attorney and his staff handle all legal matters on behalf of the City. All employees of the Office of the City Attorney serve under the direction and at the pleasure of the City Attorney.

Pictured to the right: Anthony Williams (City Attorney)

Pictured to the left: Maureen Smith-Scott (Paralegal)

CITY ATTORNEY

Highlights

- A salary increase was provided for successful completion of the Paralegal Certification Program
- Increased funding for professional development

***Contractual services are made up of unexpected legal issues that arise and require response, retaining outside counsel, court reporters for hearings, notices of publication, Lexis (legal database service), and retaining experts (These costs all vary depending on cases).

CITY ASSESSOR

Every two years the City Assessor’s Office conducts a general reassessment where all real estate assessments are reviewed and changed as necessary, so that all property owners will pay their fair share of taxes based on the value of their real estate holdings. Property owners may appeal their assessments during Office Reviews and Board of Equalization applications. The Office also administers special tax programs with particular economic and social goals.

FY21-22 Goals

- Biennially reassess all real property in the City of Petersburg
- Review assessments during office reviews and board of equalization appeals
- Administer land use assessments, rehabilitation exemptions and classification exemptions

Performance

Measure	Baseline	Target
IAAO Ratio Study Standards	90%	100%
Quantity of Office Reviews and Board of Equalization Applications	43 appeals	39 appeals
Currency of GIS public information	6 months	Daily

Highlights

- Bi-Annual reassessment of all property in the City of Petersburg
- Shifted funding to non-departmental for city wide GIS software implementation
- Funding provided for a data analyst contract

HUMAN RESOURCES

The Human Resources office includes many responsibilities for maintaining the City’s personnel policies and procedures manual and for the development, revision, and distribution of administrative regulations. The office administers the benefit plans and maintains the personnel files and related paperwork for current and former employees. The office is responsible for the recruitment process to assist department in filling their internal and external vacancies. In addition, the office is responsible for development and roll-out of City-wide training, performance management, and compensation plan. Risk Management is also housed within the Human Resources Department. Risk Management identifies and takes corrective action on factors to mitigate risk for employees and citizens and to City owned buildings. The purpose of the Risk Management Division is to conduct assessments and develop strategies to ensure the efficiency and effectiveness of assessing risk among such factors as health, financial, data privacy, and information security. The office works in tandem with VACorp, a risk management program to assist in addressing potential risks. While working with VRSA, risk management personnel to able to provide financial stability addressing worker’s compensation, property and auto insurance, and line of duty insurance for our public safety employees. Together the departments provide internal agencies with the resources needed to excel professionally.

FY21-22 Goals

- Create City-Wide Risk Assessments
- Develop a City-Wide Performance Management System
- Create a Communication Mechanism for Feedback with Departments

Performance

Measure	Baseline	Target
% of Departmental Risk Assessments Completed	50%	80%
% of Participation in City-Wide Performance Management Process	N/A	100% participation
% of Personnel Action Forms/Leave Payouts finalized in 2 business days	N/A	90%

Highlights

- Merged the funding from Risk Management to Human Resources budget
- Funding provided for new HR Administrator and part-time HR Specialist
- Defunding of the Fellowship Program
- Transferring one fellow to Budget & Procurement office and one to Economic Development

FINANCE

The City of Petersburg Finance Department safeguards and accurately account for City assets, bill and collect funds due to the City, process payment of payroll and other expenses owed by the City, collect business receipt taxes, completes reconciliations in preparation for the annual City Comprehensive Annual Financial Report, complete special financial projects, such as bond issuance, ensure compliance with municipal finance and taxation regulations defined by Virginia Statute and provide timely and financial data to management, Council and Petersburg citizens.

The Department also ensures that the City’s financial resources are protected through sound financial management, including allocation of resources consistent with community goals and providing timely, accurate, and reliable information that will assist in making informed decisions. The Finance Department maintains an accounting system designed to monitor the City’s assets by recording and reporting transactions in accordance with Government Accounting Standards, generally accepted accounting principles and Petersburg City Council ordinances.

The Finance Department also provides a variety of financial services to City Council and City staff to include accounting, financial reporting, grants management, payroll, accounts payable and special financial analysis.

General accounting functions include maintenance of the City’s cash position, debt management, bond disclosure, grants management, perform financial policy analysis, and much more. Payroll and accounts payable are housed within the Finance Department. In which compliance with federal and state payroll, Virginia Retirement System and optional life insurance requirements is implemented. Accounts payable maintains vendor information in the financial system according to federal tax guidelines, as well as processes all vendor payments in a timely fashion.

FY21-22 Goals

- To provide timely and accurate financial information by following generally accepted accounting principles
- To promote streamlined practices and efficiency within the department
- To provide clear instructions and guidance to departments in preparation for year end closing and Comprehensive Financial Annual Report

Performance

Measure	Target
% of invoices submitted to finance paid within 30 days	100%
% of months closed by the 15th of the following month	75%
Number of audit findings corrected during FY 2021-22 (15 corrections noted)	8

Highlights

- Decrease funding for auditing services due to being caught up on all Comprehensive Annual Financial Reports
- Funding provided for a new Chief Financial Officer
- Reclassified positions to align with working titles
- Unfunded the Accounting Supervisor position

BILLING & COLLECTIONS

Billing and Collections handles accounts receivable for the City of Petersburg to ensure monies received are posted according to the City’s budget for the respective department’s general ledger. Superb customer service is provided to Petersburg citizens, businesses, and staff by phone, in-person, and by email. Citizen’s business account processing of refunds are housed here. Printing and dissemination of personal property taxes, real estate taxes, and utility bills are one of the many functions of Billing and Collections. Revenue collected are taxes such as Personal Property, Real Estate, Food, Lodging, Vehicle License and Cigarette Taxes, Business License fees, Parking Citation fees, Dog and Cat tag fees, Utility charges – water, sewer and refuse, Building Permit fees, and any other types of revenue generated by the City. All current and delinquent payments are collected in accordance with the laws established by City Council and the Commonwealth of Virginia (Personnel from Billing and Collections help with the development of the Comprehensive Annual Financial Report). In addition, lockbox functions are managed by this department. Utility Billing is also a component of the Billing and Collections Office. Utility billing personnel assists Petersburg residents with setting up new customer accounts, assisting customers with reading the City of Petersburg utility bills, billing adjustments in accordance with utility billing adjustment criteria, updating account information, and closing accounts as requested by the customer.

FY21-22 Goals

- To promote streamlined practices and efficiency within the department including cross-training
- Create an agreement with 3rd Party vendors (Walmart, etc.) allowing residents a non-stop option for payment of their utility bills
- To ensure that personal property, real estate and utility bills are generated correctly and mailed in accordance with the schedule posted on the City’s website

Performance

Measure	Target
% of payments posted within 2-3 business days of receipt	97%
% of utility, personal property tax and real estate bills accurately billed	90%
% of customer inquiries responded to within 24 hours (emails and phone calls)	75%

BILLING & COLLECTIONS

Highlights

- Utility billing function moved to Public Works and Utilities
- Reclassified positions to align with working titles
- Moved the funding for positions from other funding sources to General Fund
- Added two additional Customer Service Representatives for enhanced phone coverage

As of FY21-22 this department is under the Budget and Procurement Department.

BUDGET & PROCUREMENT

The Budget and Procurement Office has a multitude of responsibilities including providing city-wide services and ensuring that internal departments, Petersburg Public Schools, Courts, local, regional, and state partners are equipped to fulfill their duties to the public. The Operating and Capital Budgets are developed and implemented within this Office. Internal meetings are held to communicate the process and direction for the corresponding budget development. The implementation of the budgets is accomplished by monitoring city-wide spending, processing budget appropriations and transfers, as well as administering budget workshops for agencies to prioritize their projects. Training is also provided to internal agencies on budget development. Budget and Procurement is also responsible for creating and monitoring position control, which is done by creating specific position numbers tracking vacancies and creating Personnel Action Forms (PAF's). The current position control mechanism is an outcome of the innovative efforts of the Budget and Procurement Office. Reference guides such as the Revenue Manual, Purchasing Manual, and Strategic Plan have been developed by the Budget & Procurement Office. Also, the Budget & Procurement Office develops and implements policies and procedures to support city-wide functions. The Budget and Procurement Office facilitates the acquisition of goods and services by issuing solicitations through Invitation for Bids (IFB's), Requests for Quotations (RFQ's), and Requests for Proposals (RFP's). Purchase orders and emergency purchase orders are processed by our procurement staff. Contracts between the City and external agencies are developed and executed within the Budget and Procurement Office. Staff provides training of City procurement processes (i.e. Small Purchase, Competitive Sealed Bids, and the P-card program). In addition to training of the P-card program, the Budget & Procurement Office administers the entire program and we ensure agencies are compliant with the corresponding policies and procedures. The Budget & Procurement Office recently led the efforts to consolidate and streamline the purchase card (P-Card) program by merging the travel card with the purchase card. Additional responsibilities include maintaining fleet inventory as well as the disposing of surplus items externally through GOVdeals and internally done through the various agencies. Professionals within this department also handle the training, issuance, and processing of paper distribution as well as incoming and outgoing mail.

FY21-22 Goals

- Improve the process of monitoring, analyzing, reporting and projecting City-wide funding
- Widen and enhance support for other departments
- Develop, adopt and improve 2022-2026 Capital Improvement Plan to be approved by Council

Performance

Measure	Target
% of appropriations entered into BAI within 24 hours of Council's approval	95%
% of requisitions converted into purchases orders in 48 hours	90%
% of appropriations added to Civic Clerk within 48 hours of receipt	75%
% of PAFs processed within 24 hours	95%

Highlights

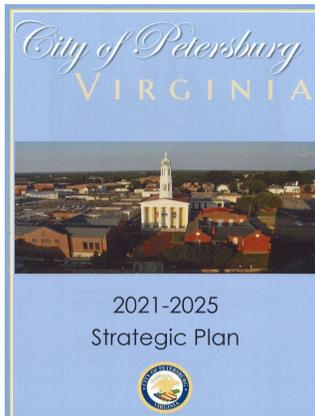

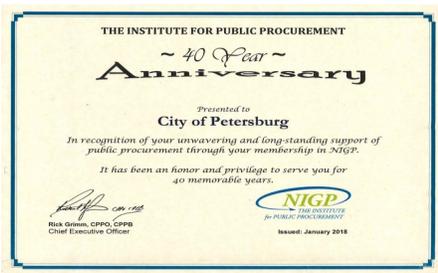

- Funding provided for one full-time Purchasing Agent, added during FY 2020-21 Amendment
- The Central Store Room costs were absorbed into this department
- Transferred the Assistant Director position to Public Works & Utilities
- Transferred one Fellow position (Budget Analyst) from Human Resources to Budget & Procurement

INFORMATION TECHNOLOGY

The Office of Information Technology is vital to the internal and external operations of the City of Petersburg. IT personnel supports and manages all City’s PCs as well as network devices. The City’s Enterprise Resource Planning (ERP) system is also managed by IT. They use the ERP system for queries/data mining, offer training to city personnel, assist employees for access to their e-stubs and W2s, online payment website, and user support. Another system supported and managed by IT is the time and attendance system that keeps track of the time worked by city employees. They collaborate with the Finance Department and the Billing and Collections Department by overseeing the Itron FCS system and providing technical support for users. In addition to this collaboration, IT assists public safety by supporting and managing the CAD and RMS, Fire reporting, Sonitrol access control, security camera systems across the city, mobile devices for the Police and Fire Departments vehicles, and connections to the State of Virginia (VITA and VCIN). COVID-19 has brought about many innovative methods for how the City does business. IT plays a great role in this; to start they acquire and manage Zoom accounts, Go-To Meeting accounts, and run virtual City Council meetings. With many virtual meetings, a strong City network is needed. Therefore, Information Technology’s Office develops and manages user accounts, network security, Firewall and VPN access, printers, Office 365, Wide Area Network (which consists of all the connections that allow the City departments to work together), wired phones/circuits, cell phones/LTE systems, and Wi-Fi.

FY21-22 Goals

- Facilitate the use of information technology across all city departments
- Provide security and staff development for city employees
- Make the organization responsive to the needs of staff and citizens

Performance

Measure	Target
Mean Time to Repair	Under 4 hours
Network Up Time	99.9%
Number of monthly tickets closed	30

Highlights

- Unfunded the Assistant Director position
- Added an Information Systems Manager position
- Converted the full time Computer Systems and Network Manager position to part-time Database Administrator

COMMISSIONER OF REVENUE

The Commissioner of Revenue Office services the residents of Petersburg and the City of Petersburg by assessing and determining what is taxable and nontaxable. City Council members determine the tax rates of various categories and the Commissioner of Revenue enforces those tax rates. Many of these tax categories include meals tax, lodging, admissions, cigarette tax, personal property, tangible personal property, and machinery and tools tax. Commissioner of Revenue Office also controls the Tax Relief Program that is based off income for real estate. They also work closely with the various agencies: ABC Board, Health Department, Code Compliance, Planning and Zoning, and Billing Collections to ensure compliance of Petersburg’s businesses. For instance, Public Service taxes are assessed by the State Corporation Committee, the results for the assessment is sent to the Commissioner of Revenue Office to be billed. The collaboration with the ABC board is to ensure businesses have an active ABC license before obtaining a City of Petersburg business license. The Commissioner of Revenue checks the State Corporation Commission website to ensure all business name are active before providing new business license or renewal. While working with the Health Department, the Commissioner of Revenue Office ensures that businesses are up to date with their health permits. Before we can issue a business their business license, they must be approved by Code Compliance, Planning and Zoning, Neighborhood Services, Billing and Collections, and Health Department (if required). Lastly to guarantee the City is collecting what the Commissioner of Revenue assessed, the office works jointly with the department of Billing and Collections. The citizens of Petersburg are also able to have their state income tax completed here for free. After they are completed by the Commissioner of Revenue Office, they are then sent to Richmond for conclusion of the process.

FY21-22 Goals

- Inform citizens about responsibilities, due dates and prepare state taxes for free
- Increase communication with businesses about their meals, lodging and admission taxes via email and mail—due 20th of each month
- Ensure tax relief applications are printed and mailed to the elderly and disabled in a timely fashion and have better communication with the Assessor’s Office

Performance

Measure	Target
% decrease in Personal Property Tax abatements	10%
Number of Business License and Tangible Personal Property audits completed	4
% of customer inquiries responded to within 24 hours	90%

Highlights

- 5% increase in salaries approved by the Compensation Board
- Increased contractual services to account for a city-wide vehicle assessment
- Increased funding for professional development

***Contractual Services are made up of costs accrued by JD Power for a yearly city-wide vehicle assessment (\$4,000) for the “big book” and quarterly reordered blocks (\$7,402) to make assessments to generate more revenue for personal property.

CITY TREASURER

The City Treasurer is the custodian of all monies belonging to the City. As of November 2017, the Treasurer does not bill nor collect for any city taxes. The Treasurer handles the receipts from most of the City departments including depositing taxpayers' payments for Real Estate, Personal Property Taxes, depositing meals taxes, business license fees, and other payments to the City. The office receives and verifies payments from various state and federal agencies as well as grant monies and report them to the City general ledger for the intended agency.

The Treasurer's office sends all wire payments and transfers for payroll, social services, schools, accounts payables and debt payments. The office also responds to other departments concerning cleared checks and stop payments and reissues of checks. A few daily responsibilities include not only reviewing and printing the daily transactions from the bank, but also printing and recording ACH transactions of daily activity. We send insufficient and any checks that are not accepted by the bank to billing and collections; in which the payment is then removed from the taxpayers' accounts until the customer makes a sufficient payment.

One of the largest jobs and most important for the treasurers' office is the daily reconciliation of the bank accounts in which we account for every penny that comes in and goes out of the City. This is a most important process to get Petersburg's Comprehensive Annual Financial Report completed. The Finance department and auditors are then able to input each fiscal year's figures together for the establishment of the City's financial status and credit rating . Each staff member in the Treasurer's office makes valuable contributions daily to help the City run efficiently.

We cooperate with all departments on inquiries about money related issues . There are many other activities implemented by the Treasurer's staff that are also part of the daily, weekly, and monthly operations of this office.

FY21-22 Goals

- Ensure monthly closings are done within 45-60 days of month's end
- Employ more staff to assist in all daily function and spend 50% of time on reconciliation
- Improve internal communications between the Treasurer's office and City Staff

Performance

Measure	Target
% of months closed within 60 days	75%
Average time to close business days	2 days
% of revenue posted to the General Ledger within 48 hours	75%

Highlights

- Converted part-time Deputy Clerk to full-time
- Reclassified positions to align with Compensation Board titles
- Increased funding for professional development

REGISTRAR

The mission of the General Registrar’s Office is provide opportunities, in an equitable and courteous manner, for all qualified citizens of the City of Petersburg:

- To register to vote
- To advocate for the integrity of the electoral process by maintaining accurate and current voter registration records used in elections
- To coordinate elections so they are conducted in a manner that secures the qualified citizen’s right to vote and ensures that the results accurately reflect the voter’s will
- To be an information resource for citizens regarding voter registration, elections and elected officials

We are committed to promoting democracy and public trust in our endeavors to ensure fair and impartial elections. The Registrar’s office is vital in planning, developing, coordinating, and directing the activities of the Office of Elections. Much of this includes: voter registration, candidate processing and filing, pre-election and Election Day voting, ballot design, equipment programming and testing, poll worker recruitment/training, and voter outreach efforts. The office continuously prepares and evaluates the department’s strategic goals and equipment security plan. The Registrar’s Office participates in programs to educate citizens and encourage voter registration. Guidance and technical support are also provided to candidates seeking election to local offices and certifying eligible candidates for elections. Petitions are also reviewed and processed by the Registrar’s office. Nominating Petitions are reviewed at the request of political party chairs, but only if the political party is nominating a candidate for a state legislative, constitutional, or local office, through a method other than a primary. Registrar communicates accurately and timely to the public through Public Service Announcements to the news, web page, and social media. Legislation introduced at the State and Federal levels are also monitored by the office as it relates to elections, election administration and providing advice and expertise to legislators. The office makes pollbooks available to the precincts and a copy of the pollbook data to Elect after each election for voting credit purposes. Accurate and current registration records are maintained by the Registrar’s Office in compliance with all Code requirements for the transfer, inactivation, and cancellation.

FY21-22 Goals

- Ensure compliance with state mandated programmatic changes
- Educate voters on new early voting laws versus old absentee processes
- Seek continued grant funding for security and new equipment standards set by General Assembly

Performance

Measure	Baseline	Target
Continue quality control, training, minimizing machine and maintenance issues	80%	95%
Keep voters informed of updated information on Elections & Candidates	55%	75%
Update Citizenry of new online access, to increase usage and efficiency with access to registering and voting including all registration & absentee applications	N/A	60%
% of documents scanned for records retention	75%	95%

Highlights

- Salary increases approved by the Electoral Board
- New positions were added this year to meet programmatic changes from the General Assembly
- Additional funding for State mandated programs

CLERK OF CIRCUIT COURT

The Circuit Court is a constitutional officer elected every eight years. The Clerk serves the citizens of the City of Petersburg. The current Clerk of Court, Maytee E. Parham, was elected by the citizens and began her term in 2020. The Office of the Clerk of Circuit Court dates to the 1700s. From that time to the present, the Clerk’s duties have changed significantly, but the office remains vitally import to the citizens of the county and each city. The Code of Virginia lists more than 800 responsibilities of the Clerk, many of which are complex and challenging. The Clerk serves as the recorder of deeds and probate judge, issues marriage licenses and fictitious names, and is the official court administrator for all civil and criminal court cases. In this latter capacity, the Clerk creates and maintains all court files and records, prepares court orders and jury lists, contacts jurors and issues summons and court processes. Circuit Court Clerks in Virginia perform duties that in many states are divided among three or four separate offices. Virginia has chosen to combine judicial and administrative functions into a single office– saving citizens significant tax dollars.

FY21-22 Goals

- Digitize land records and archived court records
- Increase training and cross train Deputy Clerks
- Set up Debit Card payments for Jurors

Performance

Measure	Target
% of Audit findings corrected during FY 2021-22	50%
% of Jurors paid via credit card	75%
Number of Annual Land Records Scanned	4 years worth

Highlights

- 5% increase in salaries approved by the Compensation Board
- Reclassified positions to align with Compensation Board titles
- Funding provided for three new part-time positions

COMMONWEALTH ATTORNEY

The Office of the Commonwealth's Attorney is established under Section 4, Article VII of the Constitution of Virginia. The Commonwealth's Attorney's primary duty is to prosecute criminal offenses as proscribed in the Code of Virginia. While the Commonwealth's Attorney's Office functions are mandated under statute, the overall mission is the pursuit of justice by protecting the rights and safety of all Petersburg citizens as guaranteed under the governing Constitutions. We do so by taking a proactive and open approach to law enforcement, by maximizing efforts to address dangerous actors and violent crimes. This approach considers factors that make crime prevention, equality, and integrity the central focus while upholding the primary duty. This office goes above and beyond the statutory mandate by prosecuting misdemeanor cases to include DUIs, weapons violations, stalking, and domestic violence cases. This office understands the importance of being proactive in cases such as domestic violence because such cases have the potential to escalate and have a larger impact on the community. Prosecutors in this office firmly pursue justice in these cases, though the office is not required to prosecute misdemeanors including domestic violence cases and despite that juvenile prosecution position currently being unfunded. The attorneys and victim/witness advocates work with the victims to determine the appropriate case disposition and advise of any community based domestic violence programs that may be available. Attorneys proactively engage and train law enforcement on legal standards and the latest developments in criminal law. The Commonwealth's Attorney is accessible to law enforcement 24 hours a day providing legal advice and assistance.

Highlights

- 5% salary increases approved by the Compensation Board
- Operating costs going up due to the courts opening back up and clearing up the backlogs

SHERIFF'S OFFICE

The Petersburg Sheriff's Office has several duties and obligations to the City of Petersburg. The Sheriff is the only locally elected constitutional law enforcement officer of the Commonwealth of Virginia, as provided in the Constitution of Virginia, and is elected by the citizens of his or her locality every four years. Accordingly, the duties of the Sheriff are not spelled out in any one document, law or regulation. The Code of Virginia provides that Sheriffs are responsible for all locally operated jails. Sheriffs also sit on all regional jail boards and in some cases operate regional jails in Virginia. As such, Sheriffs are responsible for transporting inmates to and from state institutions and maintaining security in local jails while transporting inmates to trial and other community services as required by local jail standards and court orders.

Court services are the responsibility of the Sheriff's Office. The Sheriff is responsible for the security of the courthouse, the courtrooms, the trials while they are underway, the security and sequestering of the jurors and notification of jurors for court service. Additionally, the Sheriff's Office is responsible for the service of hundreds of thousands of court papers per year, ranging from divorce proceedings and child custody cases to simple civil suits among citizens. Deputy Sheriff's perform selective enforcement to enforce traffic laws in the City of Petersburg. In addition, the Sheriff's Office are called upon to promote programs and services as well as civil commitments to the citizens of their locality to protect the basic health and welfare of those citizens. The Petersburg Sheriff's Office is involved in the community daily.

Working with other City Departments/Schools– We partner with the Parks and Leisure Services Department by providing staff to participate with the activities that the department has for the Senior Citizen community. We also provide security to the Petersburg High School athletic games and for the High School graduation. The Sheriff's Office workload can be overwhelming and engaging with peers but we strive to keep our commitment to the community. Additionally, with the help of the Petersburg Sheriff's Office staff, Auxiliary Deputies, Triad S.A.L.T. (Seniors and Law-Enforcement Together), volunteers and the elderly in the City of Petersburg. The Petersburg Sheriff's Office believes in "Excellence Through Commitment and Service" and we look forward to serving the Petersburg Community for many years to come.

FY21-22 Goals

- Effectively dispatch responder personnel
- Automate records management
- Digitize the necessary source documents

Performance

Measure	Target
Service of Legal Documents	10,000
Number of traffic control citations per month	200
Number of Seniors/Ex-Offenders attending the Annual Resource Day	600 (Seniors) & 100 (Ex-Offenders)

SHERIFF'S OFFICE

PUBLIC SAFETY

POLICE

The Petersburg Bureau of Police protects persons and property by providing essential law enforcement and public safety services, while promoting officer engagement and community involvement, stability and order through service, accountability, and visibility. Petersburg Bureau of Police not only uphold the U.S. Constitution, but also enforce the laws of the Commonwealth of Virginia. Much of this is done by writing traffic tickets, making arrests, contacting individuals, maintaining records, and seizing illegal weapons. Personnel investigate crimes and testify in court when needed. The Police Department takes pride in protecting the citizen of Petersburg and strives to create and enhance the community partnerships within Petersburg. The Petersburg Bureau of Police also recruits, hires, and trains new officers. The officers also undergo training and practice to better serve the community.

FY21-22 Goals

- Enhance Community Events
- Reduce Traffic Crashes
- Decrease Total Outstanding Warrants

Performance

Measure	Baseline	Target
Number of Community Events	94	100
Number of Traffic Crashes	775	650
Decrease the number of Total Outstanding Warrants	912	650

Highlights

- Funding provided for two new Data Entry Operators
- Funding provided for two new full-time Lieutenants
- Increase in funding for body cameras and tasers
- Funding provided for one new Sergeant

EMERGENCY COMMUNICATIONS

Emergency Communications is the central point for both emergency and non-emergency communications. In addition to answering calls from citizens, the division facilitates an around-the-clock communication channel to provide information and service requests to appropriate units. Emergency Communications answers 4,000 incoming E911 phone calls each month and processes and dispatches 5,000 public safety calls for service.

FY21-22 Goals

- To answer, enter and dispatch calls for service in a timely manner
- Attract diverse and qualified candidates in order to maintain a strong department
- Increase public awareness of Emergency Communications

Performance

Measure	Baseline	Target
% of 911 calls answered in 10 seconds or less (Nena standard is 20 seconds)	88%	Over 90%
Number of Employee Recognitions Given	4	8
Number of Community Events Attended	N/A	4

Highlights

- Converted one full-time Telecommunicator I to two part-time Telecommunicators
- Converted one full-time Telecommunicator/Receptionist to one part-time Telecommunicator
- Planning to increase engagement with the Community by attending more events

**Between the thin red line and the thin blue line lies the thinnest gold line.
This gold line represents those who rarely are seen but mostly heard.
The calm voices in the dark night; the golden glue that holds it all together.**

Dispatchers.

ANIMAL CONTROL

Animal Control is an open door public shelter that houses and cares for animals and partners with many venues to get maximum exposure for adoptable animals. The division also enforces laws regarding the proper housing and care of animals and investigates cases of neglect or cruelty.

FY21-22 Goals

- Increase Adoptions
- Decrease Euthanasia
- Increase Customer Service Interactions

Performance

Measure	Baseline	Target
Number of Adoptions (per year)	173	200
Number of Animals Euthanized (per year)	248	230
Increase Animals Returned to Owners (per year)	182	200

Highlights

- Converted two part-time positions to one full-time Animal Control Officer
- Increased funding for emergency veterinary fees
- Increased part-time salaries to reflect a \$15.00 minimum wage

FIRE RESCUE & EMERGENCY SERVICES

The Petersburg Department of Fire, Rescue, and Emergency Services is a progressive, full-service fire department that strives to provide the highest quality of service to its citizens and guests of our historic City. Established in 1773 as a group of volunteers, the department is rich in history, tradition, and is proud to call itself one of the oldest organized fire departments in the country. The City of Petersburg has endured numerous, devastating fires over its history. The 1784 charter allowed the city to purchase firefighting equipment which was indicative of recurrent fires during the 18th century. In 1788, the first formal fire company in Petersburg, the Old Street Fire Company, was formed. While history is important, it is today that matters.

Petersburg staffs four fire stations that provide fire, rescue, and EMS service 24 hours a day through a three-platoon staffing system. Each operational shift is supervised by a Battalion Chief who provides administrative and operational leadership. Each station is managed by a shift Captain who makes staffing assignments and ensures that training and operational readiness are the focal point. Nationwide, the number of fires has diminished while the fires that do occur cause more significant damage, higher dollar loss and potentially greater loss of life. These low frequency events have a high potential for significant loss. The proximity of major transportation services (Interstate highways and railway infrastructure) requires firefighters to be prepared to respond to all types of hazards. These are the dangerous calls that support the significant investment in the fire service. Other call types such as medical calls, traffic accidents, and public assists are high in frequency with a low potential for significant loss. While these calls are significant to those impacted, the resource requirement from the department is lower.

A significant driver in the reduction fire frequency is our focus on community risk reduction. The City has adopted the Virginia Statewide Fire Prevention Code and the Fire Marshal is responsible for ensuring compliance. By focusing on education rather than enforcement, the Fire Marshal's staff helps businesses understand the hazards present in their operations and how to reduce potential threats and maintain a safe facility. Educational programming is also available to the most at risk populations - our youth and senior residents. Stop, Drop and Roll and Learn Not to Burn programs were the beginning of the fire services roll as public educators.

An often forgotten but vitally important area of responsibility for the Fire Department is that of emergency management. Preparedness in an all-hazards environment requires commitment and investment of resources. When the City or region is faced with a natural or man-made catastrophe, the emergency management structure, comprised of dedicated staff members from most of the operational departments, is activated to respond to and mitigate the threats that are present and prepare for those that are to come. From the recent ice storms to the current pandemic, the Fire Department is central to the City's ability to keep its citizens safe.

FY21-22 Goals

- Promote Community Relations and Engagement
- Maintain Highly Skilled, Accountable and Resilient Workforce
- Evaluate Organizational and Process Improvements

Performance

Measure	NFPA Standard	Baseline	Target
Turnout Time—In Seconds	90	182	120
Arrival Time—In Seconds	240	402	360
ERF Assembly Time—In Seconds	480	620	540

Highlights

- Funding provided for one Deputy Fire Chief
- Funding provided for three Firefighters, one is delayed until 12/1/2021
- Funding provided for two Battalion Chiefs, one is delayed until 12/1/2021

COMMUNITY CORRECTIONS

Petersburg Community Corrections will continue to provide the City of Petersburg and County of Dinwiddie with a local community-based probation services agency and the criminal judicial system with sentencing alternatives for adult misdemeanants or persons convicted of non-violent felonies; to reduce harm, recidivism, and provide alternatives to incarceration. The program serves as a liaison to the six courts in the two localities and provides correspondence regarding compliance and/or non-compliance to conditions of release or supervision. The program conducts initial screenings for substance use disorders, mental health services, trauma informed care, and conducts risk assessments to provide appropriate levels of supervision and deliver viable treatment options. The program connects individuals to appropriate services for substance abuse and mental health treatment or co-occurring disorders, anger management, domestic violence interventions, cognitive-based interventions designed to assist individuals with behavioral change, shoplifting prevention, parenting classes, and sex offender treatment. We also conduct drug and alcohol testing; and monitor both restitution obligations and community service placements. Additionally, the program assists individuals with referrals for GED readiness, vocational training, employment, housing services and transportation.

The program also provides pretrial services to the City of Petersburg and Dinwiddie County (pending implementation) in conjunction with the community-based probation agency. Pretrial services assist judicial officers in determining or reconsidering the risk to public safety and appearance in court pending trial, provides supervision services to defendants placed in the custody of the program, and ensures compliance with the conditions of release imposed by a judicial officer and report non-compliance. The program utilizes the VPRAI, a locally validated risk assessment tool to guide bail recommendations and the Praxis to guide supervision. Pretrial services improve the efficiencies of local criminal justice systems; expediting release decisions, improving judicial decision making, reducing failure to appear and new criminal activity, alleviating jail overcrowding and operating costs, and increasing overall public safety.

FY21-22 Goals

- 90% of all individuals placed on probation or pretrial supervision will be assessed using a validated risk assessment tool
- All staff will complete a minimum of 20 hours of training and development to increase knowledge and skills and promote staff growth and future performance
- Standard operating procedures will be reviewed and updated this year as required per DCJS

Performance

Measure	Baseline	Target
% of Modified Offender Screening Tool (MOST) completed within 30 days of intake	74%	85%
% of Offender Screening Tool (OST) completed within 30 days of MOST completion	67%	75%
% of Supervision levels assigned using Praxis results (without overrides)	70%	85%

Highlights

- Funding provided for one part-time Pretrial/Probation Officer and one full-time Pretrial/Probation Officer
- Funding provided for one part-time Administrative Assistant
- Increased funding due to programmatic expansion

VIRGINIA JUVENILE COMMUNITY CRIME CONTROL ACT

The Petersburg Juvenile Community Crime Control Program (PJCCCP) is a community-based system of progressive intensive sanctions and services that correspond to the severity of offense and treatment needs. (Code of Virginia, 16.1-309.2) The direct purpose of the program is to deter crime by providing immediate, effective punishments that emphasizes accountability of the juvenile for his actions as well as reduce the pattern of repeat offending. (Code of Virginia, 16.1-309.2). PJCCCP services provides an adequate level of service to the Petersburg Juvenile and Domestic Relations Court and the 11th District Court Service Unit (Petersburg) and encourage public and private partnership in the design and delivery of services provided.

In the City of Petersburg, the funds specifically serve the Court Service Unit population either through diversion at Intake or Court Order. Petersburg Juvenile Community Crime Control Program offers several programs to juvenile youth. First, the PJCCCP Community Service Program is a sanction available to the Juvenile and Domestic relations Court and /or the Court Service Unit to address delinquent behavior. The program is used to provide youth with consequences for their behavior, as well as provide them with a basic understanding of responsibility and good work habits. PJCCA also performs law related education to Petersburg’s juvenile youth to educate them about Virginia laws and help them develop skills needed to make sound decisions, avoid breaking laws, and become active citizens of the school and communities. Life Skills Program is another program offered by PJCCA that work with offenders with specific goals to reinforce or increase skills or change behaviors. Life skills services work with offenders around identified criminogenic needs to enhance pro-social skills, provide structured cultural and recreational activities, and improve interpersonal relationships, and independent living skills. The program will use an approved curriculum (e.g. ARISE, Project Life, Casey Life Skills). Lastly PJCCA performs Outreach Detention/ Electronic monitoring and Surveillance. Outreach Detention and Electronic Monitoring uses GPS tracking and monitoring as an option available to the judiciary and the 11th CSU probation staff to assist in monitoring juvenile offenders in the community. Detention outreach youth placements are for youth pending court disposition that meet the statutory requirement for secure detention who may be maintained in the community with close monitoring by detention outreach staff. Youth placed on electronic monitoring by probation staff allows for a level of monitoring that is a step down from detention outreach with electronic monitoring or stand-alone detention outreach/Surveillance. While the purpose of the Surveillance Services program will assist probation officers in holding youth on probation accountable and providing additional face to face contacts.

FY21-22 Goals

- Attract and retain a vibrant and exemplary workforce
- Improve service delivery and community engagement through staff development
- Reduce recidivism rate of youth enrolled in the PJCCA programs

Performance

Measure	Target
% of Employees that stay on the job for at least 2 years	75%
% of the Completed FY21-22 Program Releases (Satisfactorily Completion)	75%
% of the 12 month re-offense rate will be less than or equal to the comparable re-arrest rate for juveniles on probation with CSU of the FY21-22 Program Admissions	50%

Highlights

- Reclassified positions to align with working titles
- Converted one full-time Surveillance Officer to part-time
- Continued funding for electronic monitoring as a detention alternative to Crater Juvenile Detention Center

COURTS & OTHER PUBLIC SAFETY

CIRCUIT COURT JUDGES & ADMINISTRATION

The office of the Circuit Court Judges provides the necessary administrative support to the three Circuit Court judges of the 11th Judicial Circuit and any designated judges who may assist in the circuit. In June 2010, the judicial assistant in Petersburg was named Court Administrator for the 11th Judicial Circuit. Together, the governing bodies in the localities of the 11th Circuit (Petersburg, Amelia, Dinwiddie, Nottoway, and Powhatan) fund the salary, benefits, and office expenses of the Court Administrator. The City of Petersburg, as host jurisdiction, pays these expenses and is partially reimbursed by the other localities, based on an agreed upon funding formula.

GENERAL DISTRICT COURT

The General District Court (GDC) is responsible for the adjudication of traffic, criminal and civil courts, as well as mental commitments, protective orders, bond hearings, pre-trials, and preliminary hearings. The General District Court Clerk's office is responsible for the execution of all court-ordered subsequent actions such as DMV suspensions, writs, evictions, dispositions, show-causes, and bond forfeitures. The GDC provides a platform for citizens to utilize court resources to work through legal processes. The GDC upholds the integrity of the Judiciary and the Commonwealth of Virginia while providing impartial and excellent customer service. One of the biggest challenges facing the Court continues to be an increasing workload with no increase in staffing levels. Maximizing access to new technology and seeking process improvements is imperative to the success of the office.

11TH DISTRICT COURT SERVICES UNIT

The 11th District Court Service Unit (CSU) provides services mandated by the state Department of Juvenile Justice, including intake, pre/post dispositional social histories, court-ordered reports, and probation and parole supervision. CSU is represented on the four Petersburg Family Assessment & Planning Treatment Teams and the Community Policy & Management Team. The CSU works collaboratively with Virginia State University for intern placement and is a collaborative partner with the state in the Juvenile Detention Alternative Initiative.

JUVENILE & DOMESTIC RELATIONS DISTRICT COURT

The Juvenile and Domestic Relations (J&DR) District Court's mission is to provide a neutral and impartial forum for dispute resolution that provides all persons equal access to justice, and inspires public trust, confidence, transparency and accountability in the judicial system. The J&DR District Court has jurisdiction of all juvenile matters relating to delinquency, traffic, custody, visitation, paternity, status offenses and child welfare cases. In addition, the J&DR District Court handles adult criminal offenses involving family or household members, family abuse protective orders and all matters related to child or spousal support. The J&DR District Court actively pursues technological enhancements and case processing initiatives which allow cases to be docketed and heard more efficiently. Because of the sensitive nature of cases heard in the J&DR Court, the Court strives to decrease the public's wait time to get before a judge. The Court recently integrated online payments and has begun imaging all pending case files.

VICTIM WITNESS

The Petersburg Victim Witness Assistance Program provides a variety of services and assistance to victims and witnesses of crime committed in the City of Petersburg, Virginia. One of the functions of the program is to provide education regarding the criminal justice process and its participants. Victim Witness staff can also notify victims and witnesses of case events, is able to provide courtroom orientation, and can accompany victims to court proceeding. The program serves all persons who become victims or witnesses of crime - including their close family and loved ones. Since each person's needs are uniquely different, services are not limited to those listed. The purpose of the Victim Witness Assistance Program is to help provide systems-based advocacy and support services for victims during investigation and prosecution of a crime. The Victim Witness Assistance program provides grants to county prosecutors for activities including, but not limited to crisis intervention, emotional support, protective orders, and referrals for medical, legal, and financial assistance. The program also aides in offering assistance with Victim Impact Statements, applying for notification of an inmate's status and with the Virginia Victims Fund Claim.

FACILITIES MANAGEMENT

The Facilities Management Division (FMD) is responsible for the management and physical maintenance of all City owned properties, facilities, and assets. FMD assists with real estate transactions and property transfers. We also assist with short- and long-term storage of City assets such as furniture, electronic devices, and some historical artifacts. FMD maintains all City – owned facilities including Recreation Sites, Parks and Park Facilities, Police & Fire Stations, Transit facilities and the Petersburg Public Library.

FMD is also responsible for maintaining cleanliness and custodial operations of City Owned facilities and buildings with both an in – house staff of part – time custodians, contracted temporary help staff and cleaning contractors. Some of the maintenance and skilled trades issues Facilities Management coordinates with in – house staff and contractors are – Plumbing, Electrical, HVAC, Roofing, Concrete work, Carpentry, Remodeling of Buildings and Workspaces and New Construction. FMD also assists in storm clean – up and snow clearing and plowing around City Buildings and City owned parking lots. FMD purchases supplies, furniture, maintenance related parts, and equipment as required for the efficient operation of City facilities mechanical and electric systems within budgetary constraints.

FY21-22 Goals

- Reduce reactive response times and average time to completion
- Become more preventative maintenance oriented
- Increase productivity of office administration

Performance

Measure	Target
% of work orders completed within 48 hours	75%
% of internal (City) customer complaints addressed within 48 hours	75%
% of customer (External) complaints addressed within 48 hours	75%

Highlights

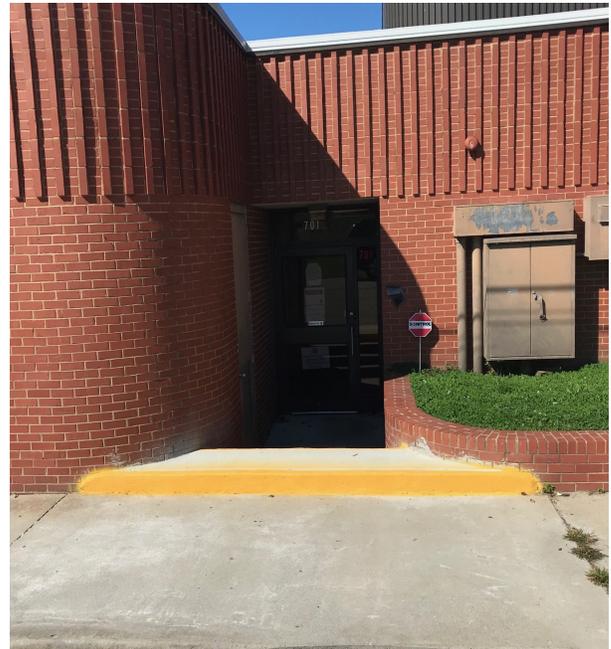

- Converted three part-time Custodial Workers to three full-time Custodial Workers
- Increased salaries to reflect a \$15.00 minimum wage
- Shifted funding to non-departmental for Courthouse maintenance

***Contractual services are made up of the cost for Sonitrol (\$69,000) and various costs for other services such as construction materials, supplies, engineering design, septic system, buildings and parks signage, plumbing parts, electrical parts, roofing repairs, concrete repairs, elevator inspections and repairs, painting, carpet materials and installation (\$331,000).

GROUNDS

The Grounds Department manages the upkeep and overall appearance of all City properties to include city parks, playgrounds, cemeteries, schools, recreation centers, sports fields and complexes and the like. The Department ensures the overall safety and maintenance for approximately 150 properties. With a smaller staff, our dedication and commitment are ever present.

The Grounds Maintenance staff has many hazards that are unique to their occupation and can create serious problems if not handled safely. Our responsibilities are vast and range from cutting grass, outdoor pest control, landscaping, lawn care, tree trimming, care for trees and plants, mulch and raking leaves. Our experts excel at caring for cemeteries. They begin by digging grave holes to specified depths, using a backhoe or any available tool.

Our Grounds Department is also critical to our inclement weather team. Their knowledge and dedication aides and assists our Streets Department by maintaining safe walkways for our residents and our city properties. We secure a full range of Grounds Maintenance Equipment including tractors, mowers, snow blowers, rotary tillers, trimmers, chippers and blowers and chain saws. Our scope of work has recently been guided toward combating illegal dumping. We are vigilant in the removal of and enforcing fines and penalties to those who dispose of personal property illegally.

FY21-22 Goals

- To strengthen and provide the citizens of Petersburg with superior customer service
- To enhance the appearance of Petersburg by maintaining a clean, safe and beautiful City by repeatedly and consistently utilizing staff to being proactive to any issues
- To create a professional and unified work environment for all staff

Performance

Measure	Target
% of full grass cutting cycles completed vs. planned	75%
% of customer complaints addressed within 48 hours	85%
% of work orders closed in 48 hours	50%

GROUNDS

Highlights

- Moved Grounds back into Public Works and Utilities

STORMWATER OPERATIONS

The is primarily responsible for ensuring all environmental impacts related to stormwater runoff is minimized and regulated in accordance with federal, state, and local requirements. These stormwater impacts include both stormwater pollution (due to phosphorus, nitrogen, and sediment) as well as erosion and flooding (due to excessive velocity and volume of runoff). This primary task is accomplished by engaging internal departments, land developers, businesses, citizens, and external state and local partners to ensure that these requirements are followed and that compliance efforts are documented and reported appropriately.

Stormwater Management regulates all development within the City through its Stormwater Management and Erosion and Sediment Control Programs. These programs include administrative, plan review, inspection, and enforcement components to ensure compliance with federal, state, and local requirements – specifically the City’s SWM and ESC Ordinances. In addition, in some sites where applicable development must also be regulated in accordance with the City’s Chesapeake Bay Ordinance to ensure that the more stringent requirements in Chesapeake Bay Preservation Areas are followed. Furthermore, development within or near Floodplain/Floodway area must be regulated in accordance with the City’s Floodplain Management Ordinance in accordance with the requirements of the Federal Emergency Management Association (FEMA) and the Department of Conservation and Recreation (DCR). To accomplish these development responsibilities, the SWM Section regulates all land-disturbance activity in the City above the applicable minimum-threshold requirement set by state and local regulations.

Stormwater Management section is also ultimately responsible for administering the City’s Stormwater Utility Funding Program originally approved by Council in 2013 to create a dedicated source of funding to comply with Virginia Department of Environmental Quality requirements. Stormwater Management verifies that the amount billed to residential and non-residential customers is correct and works to settle any billing disputes – including administering the formal appeals process through the City’s Stormwater Utility Ordinance. Stormwater Management is also responsible for administering the Residential and Non-Residential Stormwater Utility Fee Credit Program – including verification of credit applications received, addressing any formal appeals, and following up on successful credit applications with the Utility Billing Section to ensure that credits are applied.

Stormwater Management is also responsible for overseeing the Stormwater Operating, Capital Improvement Projects and Utility Fund budgets to ensure appropriated funds are spent appropriately on stormwater CIP projects, compliance requirements, and program administration. Additional responsibilities include: overseeing any changes to the FEMA Flood Maps, applying for and administering all stormwater-related grants to enhance stormwater funding needs, and responding to internal departments and citizens regarding complex drainage issues that require a global solution involving neighborhood- or City-wide drainage improvements.

FY21-22 Goals

- Ensure the health and integrity of the City’s water resources
- 100% of Staff DEQ Certified by the end of FY 2021-22
- Implement the City’s Stormwater Capital Improvement Plan

STORMWATER OPERATIONS

Performance

Measure	Target
% of storm drains checked and cleaned quarterly	50%
% of public inquiries responded to within 24 hours	75%
% of compliance deficiencies responded to within 24 hours	90%

Highlights

- Contractual services decreased due to anticipated revenue decreasing
- Personnel numbers decreased due to realigning the splits that were charged to Stormwater
- Vehicle repairs increased due to ongoing maintenance issues for an aging fleet

PUBLIC WORKS & UTILITIES

The Public Utilities Division provides water and wastewater services to the citizens and businesses of Petersburg while ensuring compliance with local, state, and federal regulations. As a wholesale provider of water and wastewater service, the City receives treated potable water from the Appomattox River Water Authority (ARWA) and conveys wastewater to the South-Central Wastewater Authority (SCWWA). The City’s water system includes pumping, storage, transmission, distribution, and metering components to provide reliable and safe drinking water to customers. The City’s sewer system includes collection, conveyance, and pumping components to provide reliable and effective wastewater service to customers. Routine and non-routine sampling of potable water is performed in accordance with state and federal regulations, as is the production and distribution of the annual water quality report and any required public notification.

Public Utilities reviews Construction Plans (building permits, site plans, and subdivision plans) for compliance with established standards and best practices. Internal project development and execution is an ongoing process that allows the City to scope and construct repair, replacement, and improvement projects for the City’s utility infrastructure. Operation and maintenance (O&M) of the City’s utility infrastructure is the main component of the Division’s activities. This includes routine maintenance of fixed assets (pump stations, tanks, etc.) and emergency repair of linear assets (pipes).

FY21-22 Goals

- To Ensure Safe and Effective Conveyance of Wastewater Effluent and Water to City Customers
- To Maintain and Improve the City’s Sanitary Sewer System and the City’s Water System for Current and Future Customers
- To Minimize Unnecessary System Costs

Performance

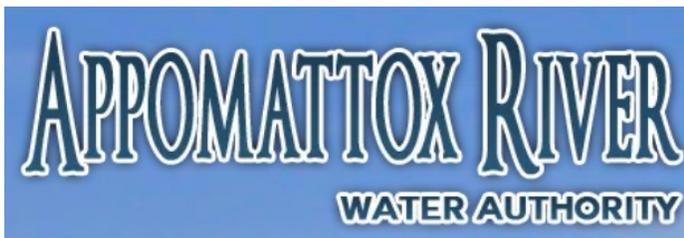

Measure	Target
% of Yearly Rehabilitation of Existing Water Lines and Sewer Lines	1%
% of Yearly Conveyance System Flushing and Inspections Completed– Wastewater	25%
% of Yearly Hydrant Maintenance and Inspections Completed– Water	50%

***Contractual services are made up of the cost of emergency construction services (\$250,000), meter reading software support (\$30,000), Prince George Interconnect (\$250,000), water quality samples (\$5,000), share of external capital project support (\$75,000) and miscellaneous support services (\$40,000).

STREETS OPERATIONS

Street Operations manages 395 miles of streets within the City of Petersburg. The department ensures the safety of Petersburg residents through: asphalt repairs, sidewalk repairs, managing the City’s drainage system, litter control, managing the visibility of traffic lights and traffic signals, snow removal, street sweeping, and initiating the leaf program. Asphalt repair, sidewalk repairs, and drainage system are all initiated by citizen work orders that are generated through GOV Outreach on the City of Petersburg’s website, or by citizens’ phone calls to the Street Operations Department. Drainage system, asphalt, and sidewalks in the city are assessed monthly to identify any changes that need to be made. Prioritization of these repairs is determined by the severity as well as the financial standpoint of the department. Street Operations has saved an estimate of \$100,000 by performing many operations in house as opposed to using contractual services and rented equipment. With this, in turn allows Street Operations to perform more street operations. Litter control is also housed in this department, in which there is a weekly litter pick up within the city. Traffic signals and traffic lights are assessed yearly as well as checked monthly for visibility to the citizens. Many new traffic equipment signals, and street signs have been updated within this past year.

As seasons change, the department ensures the safety of citizens through various climates. They work in two 12 hour shifts and uses all vehicles and equipment to ensure that all snow is plowed from the roads. In addition to snow removal, they also initiated the Leaf program within the city. The leaf program runs from November 16th- January 15th, in which the department will pick up residents’ first load of leaves for free. Street Operations has been key in transitioning all programs to internal services therefore saving estimated \$700,000 on contractual services for snow removal and street sweeping. Residents are notified of street sweeping schedule through the city website.

FY21-22 Goals

- To maximize productivity and reduce costs
- Be proactive instead of reactive with maintaining structures and repairs
- To complete the identified and funded projects in the CIP

Performance

Measure	Baseline	Target
% of allocated funding designated for paving utilized	94%	95%
% of projects initiated within 12 months of funding authorization	N/A	75%
% of high priority drains cleaned on a routine basis to minimize flooding	N/A	80%

Highlights

- Funding provided for one full-time Engineer
- Funding provided for one full-time General Manager
- Continued funding for \$1,000,000 worth of City-wide paving

STREETS OPERATIONS

PERSONNEL SUMMARY

General Manager (1) - NEW	\$80,000
Engineer (1)- NEW	\$80,000

SOCIAL SERVICES

VIRGINIA DEPARTMENT OF
SOCIAL SERVICES

SOCIAL SERVICES

The Petersburg Department of Social Services is responsible for addressing the needs of many of the city’s most vulnerable citizens. It screens and processes applications for benefit services including but not limited to SNAP, TANF, Medicaid and Energy Assistance programs in accordance with established local, state, and federal guidelines. Social services reviews applications to ensure that eligible families receive financial assistance to help pay for childcare. Adoption, Foster Care and Child Protective Services are a few of the programs offered to promote the safety, stability and well-being for children and families. The Family Services division conducts investigations of abuse, neglect, and exploitation of adults 60 years of age or older or incapacitated adults 18 years of age and older. They identify, assess needs, and provide services to children and families to protect children, preserve families, and prevent potential maltreatment.

FY21-22 Goals

- Achieve State Standards for Benefit Program Application Processing
- Achieve State Standards Implementing the Family First Initiatives
- Streamline PDSS Administrative Processes

Performance

Measure	Baseline	Target
Timeliness of Application Processing	97%	97%
First Meaningful Contact (CPS)	95%	95%
Decrease Number of Children Waiting for Adoption	29	15

Highlights

- Funding provided for full-time Family Assessment and Planning Team Program Coordinator
- Funding provided for full-time Administrative Program Assistant
- Converted one full-time Fiscal Assistant to a full-time Accountant

JUVENILE & CHILDREN OUTREACH (CSA)

The mission of the Petersburg Office of Children’s Services is to effectively use community resources to improve the quality of life for children and their families. The goal is to ensure that cost-efficient targeted services are provided to at-risk children and families. Some of these services include Foster Care/Permanency Services, Foster Care Prevention Services, Special Education Services and Community Based Services. A referral for any of these services can be made by a CSA pool-funded agency such as the District 19 Community Services Board, 11th District Court Services Unit, Petersburg Department of Social Services and the Petersburg City Public Schools.

FY21-22 Goals

- To Develop, Implement and Revise Policy and Procedures as State Policy and Regulations are Introduced and/or Revised
- To Complete Monthly Reporting on CSA Program
- To Provide Training and Technical Assistance to Petersburg Social Services, 11th District Court Services, District 19 Community Services Board, Petersburg Public Schools, Providers and Community Stakeholders

Performance

Measure	Baseline	Target
Reduce the number of special education students placed in private day school with a goal of returning student to public school	41	36
Reduce the number of children receiving permanency foster care through return to family or adoption	38	34
Provide CSA Training to FAPT Member Agencies, Community Stakeholders and Providers	1	1

Highlights

- Part-time Office Assistant moved from CSA to Social Services budget

LEISURE & COMMUNITY AFFAIRS

RECREATION & COMMUNITY AFFAIRS

The Department of Parks and Leisure Services provides recreational programs, special events administration/ coordination, administers volunteer programs, and offer youth development opportunities for the community of Petersburg. These special events include Holiday Parades, Union Train Station events, Community Clean Ups, Feed More Backpack program, Annual Marathon, Annual Trunk or Treat, Christmas Tree Lighting and so much more. With the recent pandemic, the department has overcome many obstacles to continue community outreach. The Feed the Need Initiative took place over both Thanksgiving and Christmas to ensure that residents experiencing hardships during the COVID-19 pandemic were able to feed their family over the holidays. With the 2020 Census taking place during a unprecedented pandemic, the department used innovative initiatives to reach out to the residents of Petersburg for participation. In this, the department works with the health equity group as it related to COVID-19 and provided the community with personal protective equipment (PPE). This included many partnerships with other organizations to safely reach all the residents of Petersburg. Senior and youth recreation programs are offered through the Parks and Leisure Services Department. Youth are able to engage in various leagues including basketball, baseball, volleyball, wrestling, summer camps, summer lunch and breakfast programs, Boy and Girl Scouts CPR classes, and Recycling programs. The Junior 4-H one-week cultural camp, involving VSU’s agricultural programs to raise cultural awareness, is another recreational partner. Not only are the various programs and leagues offered by the department; but also, the department manages the City’s Sports Complex in coordination of tournaments and events. Youth professional development is also a vital service provided by Parks and Leisure Services. These development programs teach social skills, interview skills, oral communication skills, business attire, and workplace preparation. At the end of the 8-week youth professional development program there is an award ceremony to acknowledge the development of the individuals. Volunteerism is managed by the personnel of the Parks and Leisure Services Department. The department recruits and nurtures community partnership, conducts trainings for volunteers, and matches volunteers with city events and or initiatives.

FY21-22 Goals

- To Develop Community Pride in Petersburg with Quality Programs for Youth, Adults and Seniors
- To Improve Neighborhood Vitality by enhancing Parks and Open Spaces, providing Summer Youth Employment and expanding the Summer Food Service Program
- To Expand the Accessibility to Government by increasing Social Media Engagement

Performance

Measure	Baseline	Target
Number of Special Events Sponsored by the City	8	12
Number of Special Events Privately Sponsored but held on City Property	35	50
Number of Followers Gained on Social Media	1,800	2,160

Highlights

- Funding for part-time seasonal employees was increased
- Funding increased for special events
- Park Maintenance funding was added to the budget

LIBRARY

The mission of the Library is “to provide citizens equitable access to information and resources which will enable them to enhance their quality of life”. The Library is divided into multiple divisions including Customer Service, Technical Services, Children’s/Teen Services, Support Services, and Administration. The Library is also responsible for the Healthy Living and Learning Center and Healthy Community Action Team (HCAT). The Customer Service Division is responsible for adult public access computers, fax and copier service, maintenance of the adult collection, providing reference, research, and genealogy assistance, registering adult customers, checking materials in and out, assisting with meeting room usage, notary services, and passport services. The Technical Services Division selects, orders, and processes library materials. It also catalogs information in the Integrated Library System (ILS), repairs library materials, withdraws materials from ILS, recommendations for enhancements to ILS system are all handled by Technical Services. The Children’s/Teen Division develops and maintains a life-long love of reading and learning among children. It selects and acquires materials for children and teens, implements activities, programs, and story hours, and collaborates with school systems and daycares to provide materials and services. Grants, accounts payable, personnel, purchasing and other administrative duties are fulfilled by the Administrative Services Division. The Healthy Living and Learning Center empowers community members to be proactive in their health management by providing accurate and reliable health information. The mission is “citizens of Petersburg shall have access to current and accurate health information in an environment in which they are comfortable and at a level they can easily understand”. The HCAT mission is to increase healthy options in the City of Petersburg to reduce the incidence of childhood obesity.

FY21-22 Goals

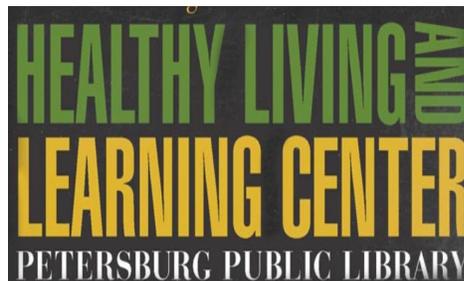

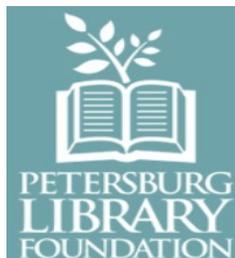

- Provide programs, services and a place to connect people and help bridge educational, cultural and technological divides
- Address health literacy, health information and disease prevention
- Ensure a connection between Petersburg’s past, present and future

Performance

Measure	Baseline	Target
Program Attendance	1200	1500
Summer Reading Program Registrations	125	200
Number of Food Demonstrations	0	3

Highlights

- Restored part-time positions for anticipated reopening
- Increased part-time salaries to reflect a \$15.00 minimum wage
- Increased funding for professional development

CEMETERIES ADMINISTRATION

The Cemetery Office Operations mission is to provide services, on behalf of the City of Petersburg, that meet the diversity of its community by providing affordable and respectful services in a professional and dignified manner regarding the interment and maintenance of the historic cemeteries which serve as the center of local history. This office is responsible for the continuation and maintenance of accurate records for every burial that has taken place in Blandford and Peoples Cemeteries since 1843. Assistance is also offered for public genealogy research and funeral arrangements.

FY21-22 Goals

- Provide affordable and respectful services in a professional and dignified manner regarding interment
- Ensure the maintenance and oversight of the Cemetery
- Preserve the local history

Performance

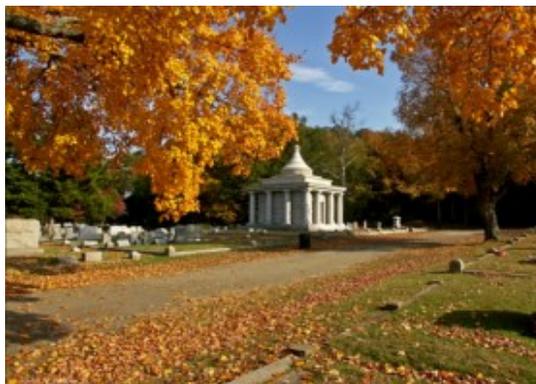

Measure	Baseline	Target
Number of funerals	120	120
Number of graves sold	10	10

Highlights

- Increased part-time salaries to reflect a \$15.00 minimum wage

DOGWOOD TRACE GOLF COURSE

Dogwood Trace is a multi-purpose facility capable of hosting a variety of events for both the citizens and visitors to the City of Petersburg. Within the complex, is an 18-hole championship golf course that has been consistently ranked in the top 20 golf courses in Virginia by Golf Advisor. In addition to the golf course, the facility now boasts the Grille Restaurant. The Grille offers in-house dining options to both guests of the golf course, but also to the citizens of Petersburg. The Grille also offers a variety of catering options for both small and large events. Finally, the facility offers large open spaces that will become the ideal location to host outdoor community focused events. These events will service a wide variety of demographics and will include concerts and smaller festivals. The adopted 21/22 budget will allow the facility to provide a multitude of services to guests of the facility and become an integral part of the City's new Strategic Plan. There are three specific areas of the plan that the 21/22 budget to target. They are tourism, economic development and community engagement. As the City's largest tourist attraction, in 2020 Dogwood Trace attracted over 20,000 non-resident visitors to the city. These visitors came from 37 different states and two Canadian Provinces to enjoy the facility and support the local economy. Dogwood Trace is the one of the many leisure activities to participate in the tri-cities area. Our facility is here as a support system to the marketing efforts of the ED department. Any potential employer who is trying to attract a workforce must be able to offer a work/life balance with recreation for workers and their families being at the forefront. The City of Petersburg remains one of the only localities in the region to operate their own golf course. Dogwood Trace continues to expand their program offerings to become a more inclusive amenity to the region. Beyond golf, the facility now boasts their own restaurant and catering company and in 2021 will begin to hose a series of community-based events to engage "non-golfers". These events will include an Easter Egg event, an outdoor concert series and a back to school carnival event.

FY21-22 Goals

- To continue to be viewed by the golfing public as one of the best golf courses in Central Virginia
- Create a more synergized relationship with Economic Development
- Offer a wider range of services to the community at large

Performance

Measure	Baseline	Target
Number of rounds	21,000	23,000
Petersburg visitor ratio	85%	92%
Visitor positive review rate	94%	97%

Highlights

- Reclassified position to align with working title
- Slight increases made in contractual services for grounds maintenance

PETERSBURG AREA TRANSIT

Petersburg Area Transit serves residents, businesses and visitors of Petersburg, Hopewell, Colonial Heights, Richmond and the surrounding counties of Prince George and Dinwiddie through Federal, State, the local Petersburg Government funding and PAT revenue. PAT provides fixed route trips and paratransit trips 306 days per year Monday through Saturday and 350,000 trips – over a course of 640,000 revenue miles per year. PAT offers convenient connections to Petersburg Amtrak and the greater United States via Greyhound connections from the Petersburg Multimodal Station. PAT also provides direct service to McGuire Veteran Medical Center, MCV/VCU Medical Center, and the Downtown Richmond connecting riders to Richmond International Airport. PAT provides fixed-route transit service as well as ADA paratransit services in the cities of Petersburg, Colonial Heights, and portions of the counties of Prince George, Dinwiddie, and Chesterfield. PAT directly operates twelve fixed routes. Transit employs 47 full-time and 12 part-time active employees (59 active employees).

Fixed Route Service

PAT's fixed routes operate Monday through Friday from 5:15 am until 7:05 pm, and on Saturday from 6:15 am until 7:05 pm. Route headways are 60 minutes for all routes except for the Lee Avenue route, which operates on a 30-minute headway. Most routes run 13 trips on weekdays and 12 trips on Saturdays, requiring a single vehicle to operate. Together, the Ettrick/VSU/Amtrak and Mall Plaza Routes can be operated by one vehicle, thereby only needing 0.5 vehicles each. The same can be said for the Halifax Street and Virginia Avenue Routes via an operational technique called interlining.

Paratransit Service

PAT offers curb to curb (door to door upon request) ADA paratransit services with wheelchair-equipped vans for senior citizens (aged 70 or older), Medicare card holders, and persons with disabilities (temporary or permanent per ADA qualifications). The service operates within the city limits of Petersburg, Colonial Heights, and Hopewell and the counties of Prince George, Dinwiddie, and South Chesterfield (Ettrick) as well as areas within $\frac{3}{4}$ of a mile from PAT's fixed routes. Paratransit service is available weekdays from 5:15 am until 6:15 pm and Saturdays from 6:00 am until 6:15 pm. The maximum number of vehicles operated in peak service is five. Reservations can be made in advance from the day before the trip up to 14 days before the trip by calling the PAT administrative offices 24 hours a day, seven days a week. Reservations are confirmed the same day or the morning of the following day.

Fare Structure, Payment Methods, and Pass/Ticket Purchasing

For fixed-route service, PAT passengers have the option of purchasing fares on board the vehicle with cash or pre-purchasing daily, weekly, or monthly passes. The transit passes may be purchased at one of three locations: 1) Petersburg Multimodal Passenger Station at 100 W. Washington Street; 2) PAT Maintenance Facility at 309 Fairgrounds Road; and 3) City of Petersburg Treasurer's Office in City Hall.

Petersburg Area Transit Fare Structure

Fare Category	Full Price	Discounted Price
1 One Fare	\$1.75	\$0.85
2 Transfer Free		
2 One-Day Pass	\$3.50	\$1.75
Seven-Day Pass	\$12.00	\$6.00
Thirty-One Day Pass	\$44.00	\$22.00

Discounted price is available to seniors, citizens with a qualifying disability, and Medicare cardholders only. Transit suspended fare in March 2020 due to COVID-19 social distancing concerns. The agency has not budgeted fare into FY 22 but may reconsider later in the fiscal year.

Vehicle Fleet

PAT owns a total of 18 vehicles for fixed-route service and 8 vehicles for paratransit service. Most of the fixed-route vehicles use diesel for fuel, while most of the paratransit vehicles use a FLEX fuel system, which operates on gasoline and propane. All revenue vehicles have fareboxes, information displays, and security cameras. PAT also has 12 support vehicles consisting of sport utility vehicles, trucks, and vans.

PAT Facilities

PAT has major facilities at two locations in Petersburg. The PAT administrative offices and Petersburg Station are located in downtown Petersburg at 100 W. Washington Street. PAT's operating, maintenance (including fueling), and vehicle storage facility is located at 309 Fairgrounds Road near the Pecan Acres neighborhood.

PETERSBURG AREA TRANSIT

FY21-22 Goals

- Provide a safe and dependable transportation service for Petersburg
- Improve the efficiency and effectiveness of service to better meet the transportation needs of the community
- Improve awareness of PAT services to increase ridership and access to services

Performance

Measure	Baseline	Target
Number of at fault accidents	11	5
Mean distance between mechanical failure (miles)	50,000	75,000
% of employees randomly drug tested	75%	80%

Highlights

- Eliminated bus fare with the flexibility to collect when it is safe to do so
- The New Freedom Express Route to VCU/MCV and McGuire Hospital will be sustained
- Three major capital projects are funded in Transit’s budget with only a 4% contribution from the City
 - (3) Medium Heavy-Duty Buses
 - Computer Hardware
 - Renovation of the Administrative Facility.
- Increased part-time salaries to reflect a \$15.00 minimum wage

PETERSBURG AREA TRANSIT CAPITAL

FTA-Federal:28% \$35,828	DRPT-State:68% \$87,011	Local:4% \$5,118
---	--	-----------------------------------

One Bus Total Cost \$127,957

FY21 CAPITAL PROJECTS

- 3 Medium Heavy-Duty Buses (\$395,877)
- Surveillance Cameras (309 Maintenance Shop - \$10,000)
- Shop Equipment (\$50,000)
- Bus Stop Signs (\$33,200)
- Benches (\$17,000)

FY22 CAPITAL PROJECTS

- 3 Medium Heavy-Duty Buses (\$395,877)
- Renovation of Administrative Facility (\$100,000)
- Computer Hardware (\$30,000)

DEVELOPMENT SERVICES

PLANNING

The City of Petersburg Department of Planning and Community Development is focused on “Furthering the welfare of people and their communities by creating convenient, equitable, healthful, efficient, and attractive environments for present and future generations.” In so doing, processes and procedures are administered to facilitate the development and use of land, in consideration of the built and natural environments, including building sites, waterways, roadways, walkways and other infrastructure that enables transportation, communication, and utility access. Administered processes and procedures include the Comprehensive Plan, the Capital Improvement Plan, Site Plan Review, Subdivisions, Zoning, Historic Preservation, which are required by Code on the State and local level. Also included is U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant administration. In Fiscal Year 2021-22, the department will endeavor to update the City's Comprehensive Plan, Zoning Ordinance, Subdivision Ordinance and other land use regulations and policies. The department will also strive to offer greater opportunities for citizen participation and involvement in the planning process.

FY21-22 Goals

- To Prevent Blight and Deterioration by launching a Blight Prevention Initiative
- To Advance the City’s Quality of Life by developing and implementing a Parks Master Plan
- To Preserve Petersburg’s Historical Infrastructure by completing Assessments of All Historical Buildings

Performance

Measure	Target
% of considered requests within 3 months	85%
% of variance requests considered within 60 days	85%
% of reviews considered by the Architectural Review Board (ARB)	85%

Highlights

- Funding provided for full-time Chief Planner
- Increased funding to provide uniforms for staff
- Continued funding for the Comprehensive Plan Development

The picture above shows the Jarratt House in its beginning stages of restoration.

This is a photo of the Jarratt House that was taken in 1970.

The Jarratt House was constructed circa 1820, and is the oldest building on Pocahontas Island, which is credited to be one of the oldest and largest free African American communities even before the Civil War. This double house is architecturally significant for its Flemish bond façade and intricate cornice brickwork. It has a high level of historic integrity and Lavinia Sampson, who owned the site rented out rooms in the mid 1800s.

ECONOMIC DEVELOPMENT

The City of Petersburg is economically competitive through innovative strategies for business attraction, expansion and retention. The development and implementation of the strategies establish the City’s prominence as a premier location of commerce and industry in Central Virginia. Improvements to the City’s infrastructure are strategically planned to expand water, wastewater, natural gas, broadband and other utility systems to accommodate new development. The City works collaboratively with the Commonwealth of Virginia, regional organizations, economic development agencies, other jurisdictions, local businesses and our citizens to enhance investment and job creation. As the center of Virginia’s Gateway Region, the City of Petersburg is truly a “Gateway” location with interstate and primary highway access, along with its other unique assets that serve to attract businesses and tourists alike.

The goal of the Department of Economic Development is to foster commercial, retail, industrial and logistical development. In doing so, we can continue to make the City of Petersburg a premier location for new and existing businesses to thrive. Three key areas of focus for FY2021-22 will be addressing the needs of existing businesses, marketing our commercial and industrial sites, building our workforce pipeline by becoming a work ready community and focusing on real estate development.

The department will continue to work collaboratively with other departments and organizations to accomplish the goals and to meet the objectives.

FY21-22 Goals

- Foster commercial, retail and logistical development and retention
- Strengthen Petersburg’s workforce
- Diversify and broaden the City’s tax base

Performance

Measure	Target
Number of municipal property dispositions	3
Number of new businesses in the City	15
% of current businesses retained	95%

Highlights

- Transferred one Fellow position (Budget Analyst) from Human Resources to Economic Development and then reclassified it to Project Manager
- Funding provided for part-time Project Coordinator
- Unfunded the Assistant to the City Manager position

NEIGHBORHOOD SERVICES

The City of Petersburg’s Neighborhood Services division consists of the Right-of-Way, the Building Officials, Code Compliance, and overseeing the Freedom of Information Act program. The mission of the department is to be as customer service oriented as possible while remaining firm in our commitment to decrease blight in neighborhoods to retain the city’s reputation as well as citizen pride so everyone can be proud of their city.

It is not the goal of this division to punish anyone but to assist citizens of Petersburg to reach a position where they have the reassurance of living in a quality city.

The division endeavors to establish far reaching policies and procedures that will establish uniformity across the board and every citizen will be dealt with integrity and respect. While this division recognizes the enormous challenge before it; the team is serious about creating an environment and culture that respects all. This is implemented by ensuring that all are held accountable.

In addition, the department guarantees that any life safety issues between landlord and tenant are dealt with efficiently and accordingly. This department has the highest regard for human life and wants to ensure that everyone has a clean, habitable place to live.

FY21-22 Goals

- Increase Neighborhood Appearance
- Increase Staff Training and Morale
- Increase Technology Use

Performance

Measure	Baseline	Target
Number of houses demolished	15	35
Number of permits issued	80	110
Number of blighted homes renovated	100	200

Highlights

- Reclassified positions to align with working titles
- Continued funding for demolition for blighted properties
- Increased funding for professional development

MUSEUMS

Museum’s mission is to preserve, protect, inventory, and research Petersburg’s artifacts. Petersburg Museum’s places an emphasis on inventories and photographs over artifacts for historical events and individuals. Records are generated in PastPerfect, which is the software that catalogs artifacts. In addition, Petersburg Museum stabilizes the temperature and humidity in the Grizzard Building.

GRANTS

- This is funding for Community Corrections staffing that was originally approved in FY 2016-17 to fund one position using the General Fund.

CAPITAL PROJECTS

- According to the updated financial policies of 2020, \$500,000 has to be transferred to Capital Projects from the General Fund.

GOLF COURSE

- Per court order of December 2020, the City of Petersburg must set aside at least \$750,000 for construction of a new court building from the General Fund.

COURTS

- This is funding to cover the local match for all operating and capital grants. The operating match is \$591,836 and the preventive maintenance is \$254,291. For the old capital grants the city will supply \$5,181 and for the new fiscal year grants a match of \$36,471 will be provided. The total match for the Mass Transit fund is \$887,779 from the General Fund.

MASS TRANSIT

- The transfer from the General Fund to the Golf Course fund is to provide the necessary funds to cover the debt service.

NON-DEPARTMENTAL

The Non-Departmental budget encompasses expenditures and initiatives that are not specifically related to any department or have Citywide impacts including anticipated costs for leave compensation, unemployment payments, and transfers to other funds. Where possible, expenditures have been moved to department budgets to allow for greater accountability and management of the funds.

FY 2021-22 CAPITAL BUDGET

The FY 2021-22 Approved Capital Budget is part of a five-year plan that identifies the acquisition, design, construction, renovation or extension of the useful life of a capital asset. Capital assets include:

- Land
- Buildings
- Water & Wastewater Infrastructure
- Technology Systems
- Streets
- Parks
- Schools
- Buses
- Fire Apparatus
- Stormwater Infrastructure

The Capital Budget criteria for the Capital Expenditures to meet includes:

- Architecture design, engineering, planning, programming and contract management services.
- Major maintenance projects costing more than \$25,000 with a useful life of at least 10 years.
- Major vehicles such as buses and fire apparatus with a useful life of at least 10 years.
- New construction, renovation, expansion or replacement projects costing in excess of \$50,000.
- Land acquisition for public purposes.
- Major equipment, such as radio systems and information technology systems.

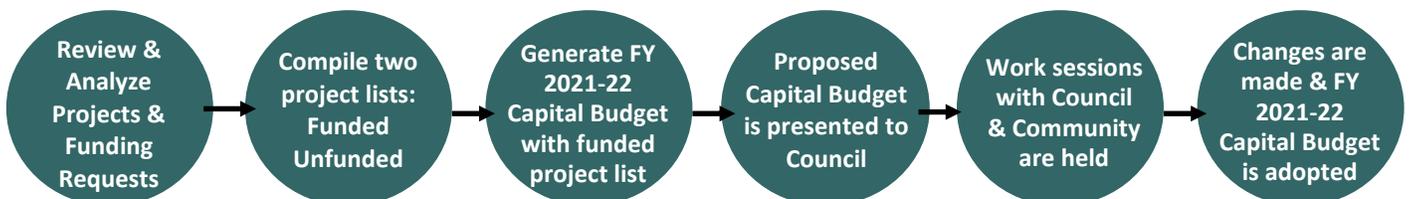

Although the nature and scope of the capital improvement projects vary, each project can be classified into one of the following Strategic Priority categories.

1. Economic Development– retaining existing and attracting new businesses that strengthen the City’s tax base to ensure there are resources to support services required for residents.
2. Neighborhood Vitality– ensuring that communities are able to thrive by addressing issues of blight, failing infrastructure, parks and open spaces, and public safety.
3. Good Governance– attracting, retaining, developing, and rewarding high quality employees that are committed to providing exceptional customer service while demonstrating the highest level of integrity.
4. Celebrate Petersburg’s History & Culture– creating vibrant and authentic places that reflect and celebrate the history, culture and character of our community.

The objectives of the Capital Budget are to:

- Prepare the Capital Budget component of the City Manager’s Recommended Budget. It serves as one of the planning tools of the budget process and synchronizes capital and operating budgets.
- Identify, prioritize and optimize the financing of the capital projects.
- Link strategic and comprehensive plans with fiscal capacity.
- Inform residents about the City’s infrastructure investments.
- Increase the City’s current bond rating by ensuring that reasonable financial parameters are utilized when scheduling and implementing projects.

CAPITAL BUDGET PROCESS

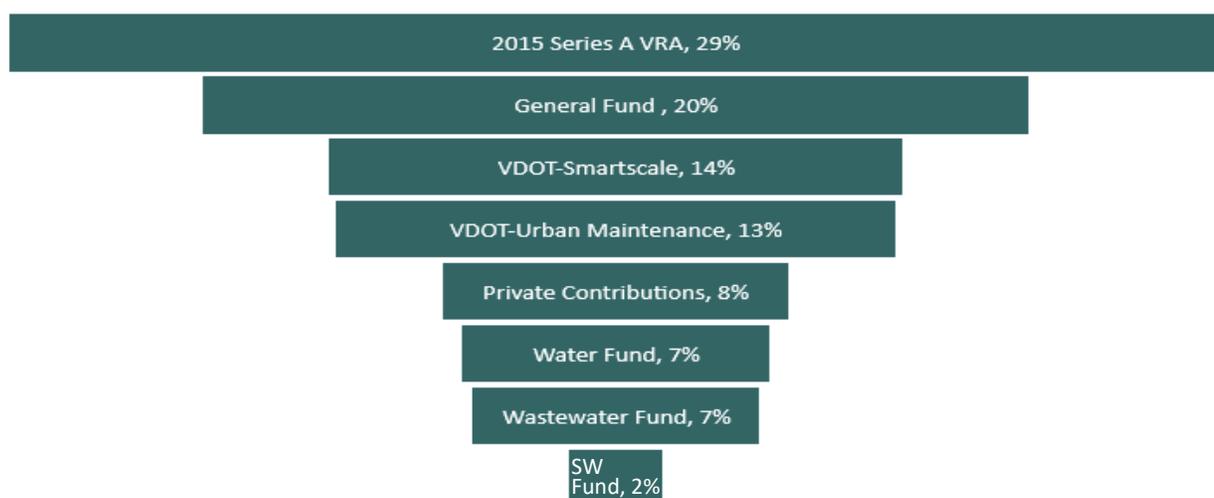

FY 2022 CAPITAL BUDGET REVENUE

The FY 2021-22 Adopted Capital Budget is made up of \$18,400,594 that is funded by 4 major sources of revenue:

1. **Federal and State Government Funding**– this is comprised mostly of the special revenue collected from the VDOT Urban Maintenance Program that provides funding to Street Operations for highway maintenance and street repairs. VDOT Congestion Mitigation & Air Quality Improvement (CMAQ) and the Department of Rails & Public Transportation are other big sources of revenue for this source.
2. **General Obligation Bond Proceeds**– this is the most common and widely accepted method for municipalities to finance large capital projects. There are two types of bond funded projects in this budget:
 - General Obligation
 - VRA Infrastructure & State Moral Obligation Revenue Bonds
3. **Dedicated Funding Sources**– this method of funding is created by the fund balances or incoming revenues of the following funds: Stormwater and Utilities.
4. **Contributions from the General Fund**– the financial policies approved by Council dictate that the City budget \$500,000 towards the replenishment of the Capital Improvement Fund provided that the Unassigned Fund Balance meets the 30-day reserve requirement. (page 201)

<u>REVENUE SOURCES</u>	<u>AMOUNT</u>
General Fund Operating Revenues	396,280
General Fund Balance Transfer (District Court)	750,000
General Fund Balance Transfer (Capital)	500,000
General Fund Operating Revenues (SGR)	271,634
General Fund Operating Revenues (CMAQ)	430,940
Federal & State Grants-Transit	870,720
SUBTOTAL– GENERAL FUND REVENUES	\$3,219,574
VDOT Urban Maintenance Funding	2,445,419
VDOT Smartscale Funding (Park N Ride Project)	2,503,851
2015 Series A VRA Revenue Bonds	5,294,611
Water Fund	1,354,389
Wastewater Fund	1,265,000
Stormwater Fund	418,250
Other Funding Sources (Private Contributions)	1,507,500
SUBTOTAL– OTHER REVENUES	\$14,789,020
GRAND TOTAL CAPITAL REVENUES	\$18,008,594

FY 2021-22 CAPITAL BUDGET REVENUE SOURCES

CAPITAL PROJECTS

<u>Project Title/Descriptions:</u>	<u>Amount</u>
Fiscal Services Building HVAC	
The HVAC unit in the back, recessed courtyard of the Fiscal Management building is past it's useful life & is no longer operational. The unit, venting and inside air handlers must be replaced in order to provide adequate AC and heat to the Billing and Collections Division service area.	\$50,000
Replace Roofs Fiscal Services Building	
Replace the roofs on the Office of Fiscal Management building that contains Financial Services, Billing & Collections and Budget & Procurement. The roofs above the three structures of Financial Services Office, Billing & Collections and Budget & Procurement need to be replaced.	\$70,000
City Hall Exterior Renovations	
Complete exterior renovations to City Hall. This includes replacing the entry way doors, repair of masonry as required, repair and replacement of rotted sections of the wooden window frames as well as reglazing, caulking, sealing and painting the window frames.	\$90,000
Market Street Fire Station (#2) Driveway Apron	
Replace the driveway apron at Fire Station 2 located on Market Street.	\$50,000
District Court Building	
Funding set aside for the design and construction of a District Court building that will contain the General District Court and the Juvenile & Domestic Relations Court in future years.	\$750,000
	FACILITIES CAPITAL PROJECTS TOTAL \$1,010,000
Fort Bross Water & Sewer Connection	
Connect water and sewer to the Fort Bross site. Currently the fire training center houses Fire administration and is not connected to City water/sewer and the septic tank is damaged and needs to be repaired/replaced. There are no fire hydrants for fire related hose line placement training and/or other fire hydrant related drills.	\$50,000
Johnson Road Fire Station	
Connect the Johnson Road Fire Station #5 to City sanitary sewer lines. The station currently operates off a septic system. The age of the system and recurring problems necessitate connection to existing City sewer main on Johnson Road.	\$50,000
	FIRE CAPITAL PROJECTS TOTAL \$100,000
Wilcox Lake Design & Construction	
Install HydroTurf to protect against erosive damage to the Dam during an overtopping event. This will bring the Wilcox Lake Dam back into compliance with the Virginia Impounding Structure Regulations (VISR). VIRS compliance is required by the Virginia Department of Conservation and Recreation (DCR).	\$110,000
Fleets Branch Stream Restoration	
Restore the stream system that existed prior to the disturbance due to erosion and natural forces.	\$208,250
MS4 Permit Compliance Tasks	
Ensure a comprehensive stormwater management strategy for the city.	\$100,000
	STORMWATER CAPITAL PROJECTS TOTAL \$418,250

CAPITAL PROJECTS CONTINUED

<u>Project Title/Descriptions:</u>	<u>Amount</u>
St. Andrews Street Bridge Replacement	
This project completely replaces the current structurally deficient bridge that was closed to traffic in 2007 over the Lieutenant Run stream. Once completed there will be new traffic access from Blandford across I-95 to Poplar Lawn. The new bridge will be about four and a half feet wider to meet current VDOT standards. It will be made of concrete which will make it durable and reduce maintenance and inspection costs. Also there will be aesthetically pleasing metal railings that will accommodate future sidewalk improvements in the area. It is due to be completed in FY 2022.	\$941,838
LED City Street Light Replacement	
This project is to replace current hydrogen filled lights contained in street lights throughout the City with more energy efficient LED lights to increase lighting, ensure safety, enhance landmarks and reduce the City's energy costs.	\$503,581
Street Paving	
Pave streets throughout the City that have been chosen after being assessed by Street Operations.	\$1,000,000
STREET OPERATIONS CAPITAL PROJECTS TOTAL	\$2,445,419
South Crater Road Traffic Signal Improvements	
Traffic signal improvements incorporated into the design include rebuilding existing span wire signals, modernizing existing traffic signals, installing pedestrian accommodations, and replacing existing communications equipment at six intersections on S Crater Road.	\$271,634
South Sycamore Street Bridge Culvert Rehabilitation	
Concrete repairs to address spalls and de-laminations of the reinforced concrete box culvert and replace downstream headwalls. Improvements are required at both ends of the culvert and along the downstream	\$430,940
PUBLIC WORKS CAPITAL PROJECTS TOTAL	\$2,445,419
Water Utility Master Plan Improvements	
The project provides for major construction and upgrades to the water utility system. The City's Pharmaceutical Hub and potential Southeast development, a new pressure zone will be designed and implemented. FY 2022 includes the design of the N. Normandy Water Tank, N. Normandy Booster Pump Station, and Pressure Relief Valves.	\$1,507,500
Water Transmission Main Repair and Replacement	
Currently, the City is planning to replace 7,000 linear feet of 20" water transmission main that spans from the Locks Booster Pump Station to the area around Commerce Street and S. Dunlop St. This is the City's main supply line and there have been multiple breaks in recent years. Construction is planned to take place in FY 2022.	\$2,000,000
Water Distribution Main Repair and Replacement	
This project provides for the planned and systematic replacement of water distribution mains which have reached the end of their useful life or are undersized by current standards. Major repair and replacement of water mains will be prioritized based on known issues, increased frequency of breaks, age, material, and localized City projects. FY 2022 includes design costs for undersized water line replacement and distribution main replacement.	\$200,000
Water Storage Rehabilitation	
The Program involves the cyclical repair and rehabilitation of the City's water storage tanks. The typical schedule for painting tanks is 10-15 years depending on service conditions. Failure to properly inspect, maintain, and repair protective coatings to these tanks will result in leaks and ultimately failure of the steel structure. FY 2022 includes design costs for the Mount Vernon Water Storage Tank.	\$50,000

CAPITAL PROJECTS CONTINUED

<u>Project Title/Descriptions:</u>	<u>Amount</u>
Water Pump Station Rehabilitation and Upgrades	
The City's water pumping stations requires routine and continuous maintenance and rehabilitation to prevent deterioration and equipment failures. Additionally, the City's water pump stations supply water to the City's second pressure zone. Increased demands will require increased capacity and resiliency. FY 2022 includes design costs for the Mount Vernon Station rehabilitation and upgrades.	\$100,000
Water Equipment	
This project provides for the replacement of major equipment necessary for the inspection and construction activities that Public Utilities performs. In FY 2022 the City plans to purchase a Mini Excavator.	\$60,000
Water & Sewer Master Plan, Engineering and Modeling	
The project involves systematic replacement of water distribution mains which have reached the end of their useful life. In conjunction with recommendations of city staff, review of water main break history and as recommended in the Master plan, water distribution mains will be replaced around the city.	\$300,000
Water Utility Equity Funding	
Additional equity from the Utility fund	\$325,000
Sewer Master Plan Projects	
The City's sewer conveyance system requires routine and continuous maintenance and rehabilitation to prevent deterioration, excessive inflow and infiltration (I&I), and structural failures. Structural failures or blockages may result in backups (damage to private property), unsanitary conditions; I&I results in increased, unbillow flow to the treatment plant, resulting in increased cost to the City. Wherever possible, sewer lines may be structurally relined, which will inhibit the need for costly open trench construction. The largest sewer lines — trunk lines and interceptors — will undergo condition assessments and be prioritized for rehabilitation. The Main Station forcemain has previously failed (and been repaired). The forcemain should be considered for replacement to coincide with the SCWWA access road realignment.	\$2,964,000
Conveyance System Rehabilitation	
The City's sewer conveyance system requires routine and continuous maintenance and rehabilitation to prevent deterioration, excessive inflow and infiltration (I&I), and structural failures. Wherever possible, sewer lines may be structurally relined, which will inhibit the need for costly open trench construction. The larges sewer lines -- trunk lines and interceptors -- will undergo condition assessments and be prioritized for rehabilitation. FY 2022 includes the Condition Assessment/Evaluation and design phases of the Sewer Trunkline and the design phase of the Main Station Force Main.	\$315,000
Sewer Pump Station Rehabilitation	
The City's sewer pumping stations requires routine and continuous maintenance and rehabilitation to prevent deterioration and equipment failures. The City routinely experiences equipment failures related to pumps and motors; system redundancy allows these failures to be repaired on an emergency basis. FY 2022 includes the design and construction of the Community Lift Station Rehabilitation.	\$75,000
Sewer Equipment	
This project provides for the replacement of major equipment necessary for the inspection and construction activities that Public Utilities performs. In FY 2022 the City plans to purchase a Jet/Vacuum Truck.	\$450,000
Flow Metering	
The project involves the program for sewer pipe flow monitoring to measure the extent of infiltration and inflow into the sanitary sewer system. This will be instrumental in determining the scope of future infiltration and inflow programming.	\$350,000
Large Water & Sewer Replacement	
The project involves annual water meter removal, calibration and installation for customers with large diameter meters. Also included in this project are meter lids to replace current meter lids.	\$400,000

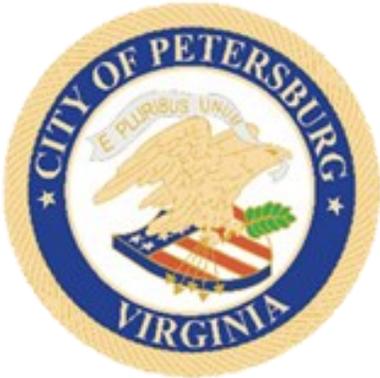

CAPITAL PROJECTS CONTINUED

<u>Project Title/Descriptions:</u>	<u>Amount</u>
Wastewater Equity	
Additional equity from the Utility fund	\$325,000
UTILITIES CAPITAL PROJECTS TOTAL	\$9,421,500
ARBOC Vehicles	
This project involves purchasing 6 ARBOC's and 2 Para-Transit vehicles to provide transportation to the residents of Petersburg.	\$807,000
Renovation of Administrative Building	
This project includes renovations to the Petersburg Area Transit's Administration Building.	\$100,000
TRANSIT CAPITAL PROJECTS TOTAL	\$907,000
Park and Ride	
This project consists of building a 76,500 sq. ft. Park & Ride Parking Structure that includes 215 parking spaces with access to Petersburg Area Transit.	\$2,503,851
PARK AND RIDE CAPITAL PROJECT TOTAL	\$2,503,851

Appendix B. Financial Polices

FINANCIAL POLICIES

The City of Petersburg's financial policies described in this section were adopted by City Council in FY2020-21. During the budget process, City leadership will bring forward ordinances for Council to adopt related to these policies.

Financial policies are the tools to ensure that the City is financially able to meet its immediate and long-term service objectives. The policies are guidelines for both the financial planning and internal financial management of the City. The City is accountable to its citizens for the use of public dollars. These funds must be carefully used and managed to ensure adequate funding for the programs, services, and infrastructure needed to meet the community's current and future needs.

FINANCIAL POLICY OBJECTIVES

The financial policy is a statement of the guidelines and goals that will influence and guide the management practice of the City of Petersburg, Virginia. Financial Policy Guidelines that are adopted, adhered to, and regularly reviewed are recognized as the cornerstone of sound financial management. Effective financial policy guidelines:

- Contribute significantly to the City's ability to insulate itself from fiscal crisis;
- Enhance short-term and long-term financial credit of the City by helping to achieve the highest credit and bond ratings possible;
- Promote long-term financial stability by establishing clear and consistent guidelines;
- Direct attention to the total financial picture of the City rather than single issue areas;
- Promote the view of linking long-run financial planning with day to day operations, and;
- Provide the City Council and the citizens with a framework for measuring the fiscal impact of government services against established fiscal parameters and guidelines.
- Ensure that the organization has sufficient resources to perform mandated responsibilities.

While adherence to this policy is expected, the City understands that changes in the capital markets, City programs, or other unforeseen circumstances may from time to time produce situations that are not covered by this policy and will require modifications or exceptions to achieve the policy goals. In these cases, the City's management may act, provided specific authorization from the City Council is obtained. These Financial Policy Guidelines shall be reviewed at least every two years by the Fiscal Management Team, who shall in turn report their findings to the City Manager and City Council.

APPENDICES

BUDGET DEVELOPMENT PRINCIPLES

- The budget development process will be a collaborative process to include residents, City Council, and staff.
- The City will strive to maintain diversified and stable revenue streams to protect the government from problematic fluctuations in any single revenue source and provide stability to ongoing services.
- The City will avoid dedicating revenue to a specific project or program because of the constraint this may place on flexibility in resource allocation except in instances where programs are expected to be self-sufficient or where revenue is dedicated to a program for statutory or policy reasons.
- The budget process will be coordinated in a way that major policy issues are identified for City Council several months prior to consideration of budget approval. This will allow adequate time for appropriate decisions and analysis of financial impacts.

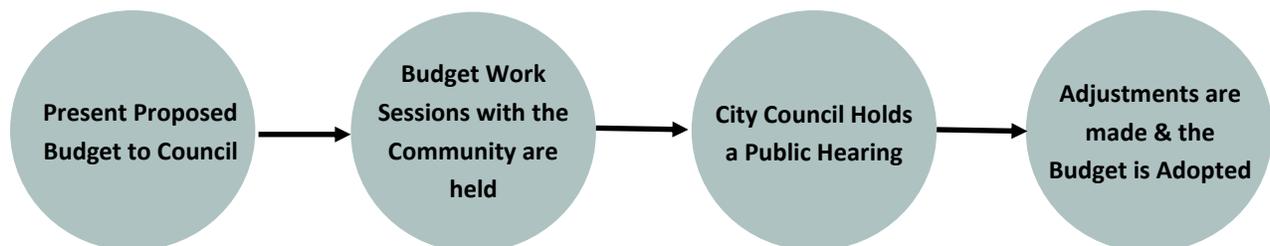

BUDGET DEVELOPMENT POLICIES

- City Council shall adopt a balanced budget in accordance with all legal requirements.
- All operating budget appropriations shall lapse at the end of the fiscal year to the extent that they are not expended or encumbered.
- The budget shall be adopted by the favorable vote of a majority of members of City Council.
- The Vision and priorities established by City Council as well as the Strategic Plan will serve as the framework for the budget proposed by the City Manager.
- Current revenues will fund current expenditures. One-time or other special revenues will not be used to finance continuing City operations but instead will be used for funding special projects.
- The City will pursue an aggressive policy seeking the collection of delinquent real estate, utility, licenses, permits and other taxes and fees due to the City via the utilization of third-party collection agencies.
- The City will prepare and annually update a long range (5 year) financial forecast model utilizing trend indicators and projections of annual operating revenue, expenditures, capital improvements with related debt service and operating costs, and fund balance levels.
- Expenditure and revenue projections will be developed monthly and reviewed with Departmental Directors, the City Manager, and City Council. The City Manager, through the Budget Department, will exercise appropriate fiscal management as necessary to live within the limits of the adopted budget.

APPENDICES

BUDGET DEVELOPMENT PROCESS

- The City Manager must annually prepare and present a Proposed Budget for City Council review no later than April 1st. The Proposed Budget shall serve as a financial plan for the upcoming fiscal year and shall contain the following information.
 1. A budget message that outlines the proposed revenue and expenditures for the upcoming fiscal year together with an explanation of any major changes from the previous fiscal year. The budget message should also include any proposals for major changes in financial policy.
 2. Charts indicating the major revenues and expenditures in each major fund (General, Utilities, Grants, CDBG, Streets, Stormwater, Golf, Transit) as well as changes in fund balance for all funds.
 3. Summaries of proposed expenditures for all funds proposed to be expended in a fiscal year.
 4. A schedule of estimated requirements for the principal and interest of each bond issue.
 5. A three-year history of revenues and expenditures to include the prior year actual, current year adopted, revised, and proposed budgets for each major fund.
- The City Council shall hold a public hearing on the budget submitted by the City Manager for interested citizens to be given an opportunity to be heard on issues related to the proposed budget, including the Capital Improvement Plan.
- Following the public hearing on the Proposed Budget, City Council may make adjustments. The City Council can only make recommended changes that keep the budget in balance and that are Adopted with at least four members of City Council's prior approval.
 - In instances where City Council increases the total proposed expenditures, it shall also identify a source of funding at least equal to the proposed expenditures.

APPENDICES

CAPITAL IMPROVEMENT POLICIES

The City will develop a five-year Capital Improvement Plan which will serve as the basis for planning and prioritizing the City's capital improvement needs based on affordability and compliance with Debt and Reserve Policies. The Capital Improvement Plan will only include projects with identified and known realistic funding sources. The City will identify the estimated costs and potential funding sources for each capital project proposal before it is submitted for approval.

1. The City will consider all capital improvements in accordance with an adopted Capital Improvement Plan.
2. The City, in consultation with the City of Petersburg Public School System, will develop a five-year Capital Improvement Plan that includes funding sources and uses and review and update the plan annually.
3. The City will enact an Annual Capital Budget based on the five-year Capital Improvement Plan. The first year of the Capital Improvement Plan will be used as the basis for the Annual Capital Budget.
4. The City will coordinate development of the Annual Capital Budget with development of the operating budget. Future operating costs associated with new capital improvements will be projected and included in operating budget forecasts.
5. The City will maintain all its assets at a level adequate to protect the City's capital investment and to minimize future maintenance and replacement costs.
6. The City will project its equipment replacement and maintenance needs in conjunction with the five-year Capital Improvement Plan and will develop a maintenance and replacement schedule to be followed.
7. The City will attempt to determine the least costly and most flexible financing method for all new projects.
8. Upon reaching the Minimum Initial Target of the Unassigned Fund Balance, the City shall budget \$500,000 toward the Fund Balance Replenishment and \$500,000 to fund Pay-Go Capital Projects.

APPENDICES

DEBT POLICIES

The City will take on, manage and repay debt according to the following debt policies:

1. The City will confine long-term borrowing to capital improvement or projects that cannot be financed from current revenues except where approved justification is provided.
2. When the City finances capital improvements or other projects by issuing bonds or entering into capital leases, it will repay the debt within a period not to exceed the expected useful life of the project. Target debt ratios will be annually calculated and included in the review of financial trends.
3. Direct Net Debt as a percentage of estimated market value of all taxable property shall not exceed 4.5%. Direct Net Debt is defined as any and all debt that is tax-supported. This ratio will be measured annually.
4. The ratio of Direct Net Debt Service expenditures as a percent of Total Government Fund Expenditures should not exceed 10%. Direct Net Debt Service is defined as any and all debt service that is tax-supported. Utility Fund debt service that is self-supporting shall be excluded. Total Governmental Fund Expenditures less the local government transfer. This ratio will be measured annually.
5. Payout of aggregate outstanding tax-supported Direct Net Debt principal shall be no less than 50% repaid in 10 years.
6. The City recognizes the importance of underlying and overlapping debt in analyzing financial condition. The City will regularly analyze total indebtedness including underlying and overlapping debt.
7. Where feasible, the City will explore the usage of special assessment revenue, or other self-supporting bonds instead of general obligation bonds.
8. The City will retire tax anticipation debt and revenue anticipation debt, if any, annually.

RESERVE POLICIES

The City believes that sound financial management principles always require that sufficient funds be retained by the City to provide a stable financial base. To retain this stable financial base, the City needs to maintain fund balance reserves sufficient to fund all cash flows of the City, to provide financial reserves for unanticipated or emergency expenditures and/or revenue shortfalls, and to provide funds for all existing encumbrances. The purpose of this policy is to specify the composition of the City's financial reserves, set minimum levels for certain reserve balances, and to identify certain requirements for replenishing any fund balance reserves utilized.

1. Fund Balance Categories: For documentation of the City's fund balance position, communication with interested parties and general understanding, a clear and consistent system of classification of the components of the City's fund balances is necessary. The City's reporting and communication relating to fund balance reserves will utilize the classifications outlined in generally accepted accounting principles (GAAP). GAAP dictates the following hierarchical fund balance classification structure based primarily on the extent to which the City is restricted in its use of resources.

APPENDICES

RESERVE POLICIES CONTINUED

- a. Non-spendable Fund Balance: These are fund balance amounts that are not in a readily spendable form, such as inventories or prepayments, or trust or endowment funds where the balance must remain intact.
- b. Restricted Fund Balance: These are amounts that have constraints placed on their use for a specific purpose by external sources such as creditors, or legal or constitutional provisions.
- c. Committed Fund Balances: These amounts are designated for a specific purpose or constraints have been placed on the resources by City Council. Amounts within this category require City Council action to commit or to release the funds from their commitment.
- d. Assigned Fund Balances: These are amounts set aside with the intent that they be used for specific purposes. The expression of intent can be by City Council and requires City Council action to remove the constraint on the resources.
- e. Unassigned Fund Balances: These are amounts not included in the previously defined categories. The City General Fund is the only fund that should report a positive Unassigned Fund Balance. Amounts in this classification represent balance available for appropriation at the discretion of City Council. However, City Council recognizes that the Unassigned Fund Balance needs to be sufficient and comprised of liquid cash and investments to meet the City's cyclical cash flow requirements and allow the City to avoid the need for short term tax anticipation borrowing. The Unassigned Fund Balance should also allow for a margin of safety against unforeseen expenditures that could include, but not be limited to, natural disasters, severe economic downturns, and economic development opportunities. Unassigned Fund Balance shall not be used for annual recurring expenditures, except for unforeseen emergency circumstances. The City shall have a Minimum Initial Target unassigned fund balance that represents 30 days of its general fund operating expenditures. This will include the City budgeting \$1,000,000 annually toward the Unassigned Fund Balance. Upon reaching the Minimum Initial Target the City shall budget \$500,000 toward the Fund Balance Replenishment and \$500,000 to fund Pay-Go Capital Projects.

Within three years following the City meeting the Minimum Initial Target, the City shall increase the Unassigned Fund Balance to a balance that represents 60 days of its general fund operating expenditures.

To the extent that the City has any remaining operating surplus after all expenditures (including the Annual Budgeted Amount) have been satisfied, the City shall apply at a minimum 75% of such remaining operating surplus to further accelerate the build-up of the Unassigned Fund Balance.

APPENDICES

RESERVE POLICIES CONTINUED

City Council recognizes that if amounts above the 10% Policy Goal exist, City Council could contemplate strategically utilizing these amounts, if appropriate. However, City Council also recognizes that maintaining an Unassigned Fund Balance above the minimum policy level may be beneficial to the overall wellbeing of the City. Should any amounts above the 10% policy exist they should only be appropriated for non-recurring expenditures as they represent prior year surpluses that may or may not materialize in subsequent fiscal years. Amounts above the 10% policy minimum could be used for the following purposes (listed in order of priority):

- i. Increase Restricted Fund Balances as necessary.
 - ii. Fund an additional reserve for use during an emergency or during periods of economic uncertainty or budget adversity. Such additional reserves shall be determined by City Council.
 - iii. Allocating such amounts toward equity funding of the Capital Improvement Plan or transfer to the Capital Improvement Fund.
2. **Prioritization of Fund Balances:** As indicated, the fund balance classifications outlined above are based on the level of restriction. In the event expenditures qualify for disbursement from more than one fund balance category, it shall be the policy of City of Petersburg that the most constrained or limited fund balance available will be used first. Unassigned fund balance will be used last.
3. **Accounting for Encumbrances:** Amounts set aside for encumbered purchase orders may be either restricted, committed or assigned fund balance depending upon the resources to be used to fund the purchases. Amounts set aside for the encumbrances may not be classified as unassigned since the creation of an encumbrance signifies a specific purpose for the use of the funds.
4. **Replenishment of the Unassigned Fund Balance:** Upon the use of any Unassigned Fund Balance, which causes such fund balance to fall below either the Policy Goal and/or Minimum Initial Target levels, City Council must approve and adopt a plan to restore amounts used within 24 months. If restoration of the reserve cannot be accomplished within such period without severe hardship to the City, then the City Council will establish a different time period.

APPENDICES

Appendix C. Standard Operating Procedures for Grant Processing

CITY OF PETERSBURG	STANDARD OPERATING PROCEDURE	NUMBER:
		PAGE 1 OF 2
	GRANT PROCESSING (CONSOLIDATED GRANTS FUND)	DATE: APRIL 1, 2017
		SUPERSEDES: N/A

I. Background and Purpose

Periodically the City makes application for grant funding to support needs of the City. The budget and financial functions related to grant application and award are reviewed and approved by the Grant Accountant. Programmatic reporting and/or compliance monitoring is the responsibility of the departmental project manager. The following procedures are to be applied to grant application and award processing to support appropriate budgetary control, financial management and reporting .

II. Procedures:

Application for Grant Funding

1. The applying department completes the Grant Application and forwards to the Grant Accountant in Finance for review (complete and accurate capture of all personnel related expenses; inclusion of in-kind contributions; and availability of any requested local cash match).
2. Upon review and approval by the Grant Accountant, the Grant Accountant obtains the authorizing signature of the City Manager and retains a copy for the grant file and returns the original to the department for submission of the application.

Award of Grant Funding

1. Upon receipt of the "Notification of Grant Award", the Grant Accountant compares the Award to the Application (if applicable) and files by fiscal year noting award name and consistent General Ledger naming convention as prescribed by Finance.
2. The Grant Accountant prepares a budget amendment ordinance on behalf of the City Manager's office for approval by City Council. The proposed ordinance includes the General ledger account naming and coding structure for budget supplement processing.
3. Additionally, when a local cash match is required, the award ordinance must reference same to authorize the transfer of local matching funds to the grant account.
4. The approved Ordinance and related Budget Amendment is processed to the financial system with a copy retained in the Grant file and a copy provided to the managing department as notification of funding availability.
5. The department may begin spending the funds according to the grant award and against the newly established grant account codes.

Effective Date: April 1, 2017

Page 1 of 2
 Grant Processing SOP

APPENDICES

CITY OF PETERSBURG	STANDARD OPERATING PROCEDURE	NUMBER:
		PAGE 2 OF 2
	GRANT PROCESSING (CONSOLIDATED GRANTS FUND)	DATE: APRIL 1, 2017
		SUPERSEDES: N/A

Quarterly Financial Reporting

Most of the grants received in the Consolidated Grants Fund require some form of financial or programmatic reporting to the awarding agency.

1. The programmatic reporting is submitted by the program manager to the Grant Accountant two (2) weeks in advance of the reporting deadline.
2. All financial reporting is prepared by the Grant Accountant in Finance.
3. Financial reporting and drawdown requests for expenditures are submitted at the same time as the program reporting by the Grant Accountant with a copy drawdown request maintained in the grant file.
4. A summary of grant reimbursement requests anticipated with revenue codes and amounts is provided to the Treasurer for processing revenue received.

Accounting Requirements

1. Grant reimbursements are received by the Treasurer's Office, electronically. The Treasurer's Office records the revenue as instructed by the Grant Accountant. The Grant Accountant reviews the G/L at least quarterly to insure that grant revenue has been received and posted into the General Ledger correctly.
2. At year-end, the Grant Accountant prepares a schedule of all grants receivable and deferred revenue along with appropriate journal entries for the Consolidated Grants Fund.
3. The Grant Accountant prepares a spreadsheet of all federal grant expenditures maintained in the Consolidated Grants Fund that indicates by Function and Federal grant #, all moneys spent and what has been reimbursed. This information is used to prepare the City's Schedule of Federal Expenditures.

City Manager Approved:  3/23/17
Date

I have read and understand the above note Grant Management Standard Operating Procedures effective April 1, 2017 and agree to comply with same effective immediately.

Department/Agency Head: _____ Date _____

GLOSSARY

Adopted Budget	A plan of financial operations approved by City Council highlighting major changes made to the City’s Fiscal Plan. The Adopted Budget reflects approved tax rates and estimates of revenues, expenditures and transfers.
Appropriation	An authorization granted by City Council to a specified organization to make expenditures and incur obligations for specific purposes. An appropriation is limited in dollar amount and when it may be spent, usually expiring at the end of the fiscal year.
Asset	Resources which have monetary value that are owned or held by a government.
Balanced Budget	A term used to describe a budget in which the total revenues equal the total expenditures, reserves and unassigned fund balance for a given time period.
Basis of Accounting	The timing of recognition of transactions or events for financial statement reporting purposes.
Basis of Budgeting	The method used to determine when revenues and expenditures are recognized for budgetary purposes.
Bond Rating	An evaluation performed by an independent rating service of the credit quality of bonds issued. Ratings measure the probability of timely repayment of principal and interest on municipal securities.
Budget	An annual financial plan that identifies a plan of operation for the fiscal year. It states expenditures required and identified revenues necessary to finance the plan.
Budget Calendar	A schedule of key dates a government follows to prepare and adopt a budget.
Comprehensive Annual Financial Report	A report compiled annually which provides detailed information on an organization’s financial status at year end.
Community Development Block Grant (CDBG)	Community Development Block Grant provides funding to eligible units of local government to redevelop blighted structures in support of the location of a new industry or expansion of an existing industry.
Capital Improvement Program (CIP)	A plan of acquisition, development, enhancement or replacement of public facilities and/or infrastructure to serve the citizens of the City. The CIP reflects the physical development policies of the City and typically encompasses a five-year period and includes projects exceeding \$100,000.
Constitutional Officers	Elected officials whose positions are established by the Constitution of the Commonwealth or its statutes. (Treasurer, Sheriff, Commonwealth’s Attorney, Commissioner of Revenue and Clerk of Circuit Court).

GLOSSARY CONTINUED

Contingency	A budgetary assignment established for emergencies or unforeseen expenditures.
Contractual Services	An object series that includes services rendered to private firms, individuals, or other governmental entities; examples include utilities, rent, maintenance agreements and professional consulting services.
Debt Service	The payment of principal and interest on borrowed funds through instruments such as bonds.
Department	An organizational unit of government functionally unique in its delivery of service.
Encumbrance	A carry over of funds for an anticipated expenditure prior to payment for the item. Funds usually are assigned or encumbered once a contract has been signed.
Enterprise Fund	A self-supporting fund designed to account for activities provided to external customers that is supported by user charges; examples include the Golf Course, Transit and Utilities funds.
Financial Management	Budget, payroll, procurement, accounts payable, accounts receivable, grants and other financial functions.
Fines & Forfeitures	Revenue received from forfeitures and authorized fines such as library and parking violation fines.
